Emeritus Professor Sally Marshall  
Translational and Clinical Research Institute  
The Medical School  
Newcastle University, England

Sally Marshall the current Lancet Ombudsman has published the papers listed below so she would know that diabetes can be caused by drugs such streptozotocin and probably alloxan as well for over 20 years, as rats are made diabetic by these two drugs in order to study diabetes.

So she might well have suspected that diabetes can be caused by humans taking drugs and if not, she should have asked the question. Yet she has been paid by the Medical Research Council, university and the NHS to treat diabetes and research diabetes in areas that have nothing to do with asking whether drugs can cause diabetes in humans.

I wonder if her unhappy worried countenance is because she has suspected for years that diabetes can be caused by drugs and knows that diabetics during their pregnancy and their babies can have problems. Considering her titles and experience she should be ashamed of never having conducted a study examining the health records of diabetics to see if drugs cause diabetes. She would know that the incidence has increased since 1996 when she was first involved in animal models of diabetes. Perhaps she wears a cross to allay her conscience.

# IRREGULARITIES AT THE LANCET AN ELSEVIER JOURNAL

## IRREGULARITIES AFFECTING MY FOUR LANCET SUBMISSIONS

MONDAY 8 APRIL

NEWCASTLE UNIVERSITY EMAILED ME TODAY SAYING THAT SALLY MARSHALL HAD RETIRED WHICH IS RIDICULOUS SINCE SHE IS ON THEIR WEBSITE. I HAD MENTIONED IN MY LETTER TO HER WHICH IS REQUIRED WHEN ONE SENDS A PAPER TO THE OMBUDSMAN TO BE CONSIDERED FOR PUBLICATION, THAT I SUSPECTED THAT MY DIABETES PAPER WOULD ALSO END UP COMING HER WAY.

SO I AM SURE THAT AS SHE CAN ACCESS ALL MY SUBMISSIONS SHE WENT AND READ IT AND AS

AGENDA WHICH I HAVE EXPLAINED BELOW.  
CONSEQUENTLY I PUBLISHED MY PAPERS ON MY  
WEBSITE IN EARLY TO MID-DECEMBER 2023,  
CLEARED MY DETAILS FROM MY LANCET  
ACCOUNT AND WROTE TO RICHARD TELLING HIM  
THAT THE LANCET COULD NOT PUBLISH MY  
PAPERS AS I HAD PUBLISHED THEM AND CLOSED  
MY ACCOUNT.

I WROTE TO HIM AGAIN A FEW DAYS AGO AND  
ALSO TO THE EDITORIAL TEAM, RICHARD AND  
HEAD OF COMMUNICATIONS OF THE LANCET IN  
LONDON, STATING THAT THE LANCET WAS NOT  
ALLOWED TO PUBLISH MY PAPERS.

SOMEONE HAD SET UP A NEW ACCOUNT NAME  
FOR ME AND USED 'LISA LIM' FOR MY ACCOUNT  
WHICH IS A NAME I HAVE NEVER USED AS IT IS  
NOT MY NAME. THE SCREENSHOT OF MY  
ACCOUNT ON 24 FEBRUARY 2024 SHOWING MY  
SUBMISSIONS SHOWS THAT THEY ALSO FILLED IN  
MY DETAILS THAT I HAD REMOVED.

SO I DECIDED TO WRITE TO RICHARD /  
OTHERS IN THE LANCET AGAIN TO TELL  
THAT THE LANCET IS NOT ALLOWED TO PUBLISH

SO I AM SURE THAT AS SHE CAN ACCESS ALL MY SUBMISSIONS SHE WENT AND READ IT AND AS SHE IS A PROFESSOR OF DIABETES IN THE 'TRANSLATIONAL AND CLINICAL RESEARCH INSTITUTE' . ACCORDING TO THE UNIVERSITY WEBSITE WHICH GIVES HER TELEPHONE NUMBER AS +44 (0)191 208 7880 SHE IS ON THE EDITORIAL BOARD OF THE DIABETES JOURNAL DIABETOLOGIA, HAS AN INDEPENDENT CHAIR, TRIAL STEERING COMMITTEE, ADOLESCENT TYPE 1 DIABETES CARDIO-RENAL INTERVENTION TRIAL ([www.addit-trial.org](http://www.addit-trial.org)) AND ALSO HAS AN INDEPENDENT CHAIR, TRIAL STEERING COMMITTEE, MELD-ATG ([www.innodia.eu](http://www.innodia.eu))

SINCE SHE IS INVOLVED IN TWO TRIALS FOR WHICH SHE IS VERY LIKELY TO BE PAID, SHE PROBABLY DOESN'T WANT TO ACCEPT MY ASTHMA PAPER BECAUSE MY NEXT SUBMISSION TO HER AS THE LANCET OMBUDSMAN WOULD HAVE BEEN MY DIABETES PAPER, WHICH EXPLAINS THE MECHANISM OF HOW DIABETES IS CAUSED BY VARIOUS DRUGS.

THIS SHOULD MAKE IT CLEAR TO THE PUBLIC

AS SOON AS THEY WERE REJECTED AND I STILL  
HAVEN'T RECEIVED ANY DECISIONS.

SATURDAY 2 MARCH 2024

ALL OF MY FOUR PAPERS ABOUT ASTHMA,  
DIABETES AND THE BNF THAT I SUBMITTED TO  
THE LANCET AND WERE REJECTED BACK IN  
SEPTEMBER AND OCTOBER 2023, HAVE STILL NOT  
BEEN GIVEN A FINAL DECISION.

AS YOU CAN SEE FROM THE TABLE OF MY LANCET  
ACCOUNT FURTHER DOWN, MY ASTHMA PAPER  
HAS BEEN REJECTED TWICE, SO I SENT IT TO THE  
OMBUDSMAN PROFESSOR SALLY MARSHALL AT  
THE END OF SEPTEMBER 2023. I STILL HAVEN'T  
BEEN GIVEN A DECISION AFTER FIVE THAT'S  
RIGHT, FIVE MONTHS. I WONDER WHY IT'S TAKING  
HER SO LONG TO REACH A DECISION. IS IT  
BECAUSE SHE IS WORRIED ABOUT LOOKING LIKE  
AN IDIOT BECAUSE HER RESEARCH INTERESTS ARE  
"DIABETIC NEPHROPATHY - GENETICS, CELL  
BIOLOGY, NATURAL HISTORY AND MANAG  
AND I TOLD HER THAT I HAVE A DIABETES PAPER

THIS SHOULD MAKE IT CLEAR TO THE PUBLIC THAT OMBUDSMEN CAN BE CORRUPT AS CAN MEDICAL JOURNALS WHICH THESE DAYS ARE FOCUSED ON PUBLISHING CLINICAL TRIALS FUNDED BY PHARMACEUTICAL COMPANIES AS THEIR AGENDA IS TO HAVE A PILL FOR EVERY ILL.

FRIDAY 5 APRIL 2024

THE LANCET STILL HASN'T ACCEPTED OR REJECTED MY FOUR PAPERS ABOUT ASTHMA & DIABETES THAT ARE ALSO ON PODD.WORLD. I HAVE SCREENSHOTS SHOWING THAT NOTHING HAS CHANGED IN MY ACCOUNT SHOWING MY SUBMISSIONS SINCE 24 FEBRUARY 2024. AFTER BEING REJECTED MY ASTHMA PAPER WAS SENT TO THE OMBUDSMAN IN SEPTEMBER 2023 AND I STILL HAVEN'T BEEN GIVEN A DECISION BY THE OMBUDSMAN SALLY MARSHALL. MY OTHER PAPERS WERE SENT IN FOR AN AS SOON AS THEY WERE REJECTED AND I HAVEN'T RECEIVED ANY DECISIONS.

BIOLOGY, NATURAL HISTORY AND MANAGEMENT" AND I TOLD HER THAT I HAVE A DIABETES PAPER SO SHE WOULD HAVE BEEN ABLE TO VIEW IT IN MY ACCOUNT, AND IT EXPLAINS WHY DIABETES CAN BE CAUSED BY PRESCRIPTION DRUGS. IT CAN ALSO BE CAUSED BY CHEMICALS THAT HAVE THE RIGHT CHEMICAL STRUCTURE. MY PAPER WOULD RESULT IN LESS CHARITY, GOVERNMENT AND NHS MONEY GOING TO DIABETES RESEARCH.

MY DIABETES PAPER WAS REJECTED BY DR DAN ERKES IN THE USA AND HE WROTE TO ME DIRECTLY, INSTEAD OF THE DEPUTY EDITOR SABINE KLEINERT WHICH IS ODD. IT WAS NEVER PUT IN MY LANCET ACCOUNT SO I COULDN'T SEND IT TO THE OMBUDSMAN. I WROTE TO HER AND THE EDITOR RICHARD HORTON BUT NEVER RECEIVED A REPLY.

MY OTHER TWO PAPERS WERE ALSO SENT IN FOR AN APPEAL BUT I HAVE NEVER HAD AN ANSWER. I WORKED OUT THAT RICHARD HORTON WHO HAD BEEN CODING ME SINCE OCTOBER HAD AN AGENDA WHICH I HAVE EXPLAINED BE CONSEQUENTLY I PUBLISHED MY PAPERS ON MY WEBSITE IN EARLY TO MID-DECEMBER 2023,

I TOLD HIM THAT I DON'T HAVE A MORTGAGE AND THERE ARE ROOMS THAT LOOK OUT ON TO THE HILLS. I TOLD HIM THAT I HAD GIVEN FREE ACCOMMODATION TO A COUPLE OF OTHER PEOPLE BEFORE, ONE A HIGHLY GIFTED ARTIST DAVID K REES AS I WAS GOING TO BE OVERSEAS.

I FELT SORRY FOR RICHARD AS HE HAD BEEN DIAGNOSED WITH STAGE 4 MELANOMA AND I THOUGHT THAT I MIGHT BE ABLE TO HELP HIM AND PERHAPS RECORD USEFUL INFORMATION ABOUT HIS HEALTH AS I HAD ADVISED HIM TO TAKE A STACK OF SUPPLEMENTS.

HE CODED THAT HE WANTED TO SHIP SOME BOXES UP TO SCOTLAND, SO I HELPED HIM TO FIND A SUITABLE COURIER COMPANY. THIS WAS BEFORE CHRISTMAS WHEN I HAD ALREADY PUBLISHED MY PAPERS ONLINE, SO I HAD MADE IT QUITE CLEAR THAT I HAD NO INTEREST IN HIM OR BEING PUBLISHED BY THE LANCET. I HAVE NEVER MET A MAN WHO IS BOTH INTERESTING AND CONSIDERATE.

UNTIL HE WAS FREE TO ACCOMPANY ME ON  
POSSIBLE TRIPS TO EUROPE AND OVERSEAS TO

ANTIBIOTICS CAN CAUSE ASTHMA AND DIABETES.

SUNDAY 28 JANUARY 2024

THE LANCET HAS NOT GIVEN ME AN ANSWER AS  
TO WHETHER MY REJECTED PAPERS, ONE SENT TO  
THE OMBUDSMAN PROFESSOR SALLY MARSHALL  
OR THOSE SENT IN FOR AN APPEAL, HAVE BEEN  
ACCEPTED OR REJECTED.

SOME PAPERS WERE RESUBMITTED IN APPEALS  
FOUR MONTHS AGO SO IT IS MOST IRREGULAR  
THAT I HAVE NOT BEEN GIVEN A DECISION. IT  
SUGGESTS THAT THEY ARE BEING HELD IN LIMBO  
TO MEET SOMEBODY'S AGENDA.

I WAS ASKED TO GIVE MY ASTHMA PAPER A NEW  
TITLE WHEN IT WAS REJECTED. HAVING DONE SO,  
IT WAS REJECTED AGAIN, SO I SENT IT TO

OMBUDSMAN PROFESSOR SALLY MARSHALL. SHE HAS NEITHER ACCEPTED OR REJECTED IT AFTER NEARLY 4 MONTHS, IF SHE HAS SENT IT TO THE EDITOR RICHARD HORTON WITH HER DECISION, I WONDER WHY I HAVEN'T BEEN INFORMED WHETHER IT HAS BEEN ACCEPTED OR REJECTED. THIS IS JUST ONE IRREGULARITY IN THE LANCET'S BEHAVIOUR.

THE EDITOR PROFESSOR RICHARD HORTON HAD ASKED ME TO STAY IN THE UK WHEN HE KNEW THAT I WAS LEAVING IN OCTOBER FOR AUSTRALIA, TO MEET WITH THE PREMIER OF WA ROGER COOK AND HEALTH MINISTER OF WA AMBER-JADE SANDERSON. THE PLANS WERE FOR ME TO TALK IN AUSTRALIA TO TELL THE WORLD THAT ASTHMA AND DIABETES ARE PREVENTABLE DISEASES.

I ASSUMED THAT AS RICHARD HAD COMMUNICATED THAT HE HAD 6 MONTHS TO LIVE, AS HE WAS REPORTED TO BE SUFFERING FROM STAGE FOUR MELANOMA AND I HAD GIVEN HIM VALUABLE ADVICE SOME OF WHICH I HAD SOURCED FROM THE INTERNET, HE WANTED TO STAY SO THAT I COULD GIVE HIM ADVICE IN

HAVE BEEN DIAGNOSED WITH A DISEASE THAT IS  
TERMINAL, I DID HAVE AN ULTERIOR MOTIVE.

I THOUGHT THAT THE WORLD SHOULD HAVE AT  
LEAST ONE MEDICAL JOURNAL EDITOR WHO WAS  
PREPARED TO PUBLISH AN ADMISSION THAT  
SOMETHING LIKE 50% OF MEDICAL  
PUBLICATIONS ARE FULL OF NONSENSE.  
REVIEWERS OF PAPERS SUBMITTED MAY NOT BE  
WORKING IN THE SAME FIELD AND THEREFORE  
AREN'T FAMILIAR WITH THE DISEASE, BUT THEY  
KNOW THAT THE JOURNAL EXISTS AS A RESULT OF  
SUBMISSIONS BEING PAID FOR SO THEY MIGHT  
WANT TO ACCEPT THEM. MY SUBMISSION TO THE  
LANCET WAS A VIEWPOINT AND WAS FREE TO  
SUBMIT.

ONE MEMBER OF THE LANCET EDITORIAL TEAM  
ADDRESSED ME AS DR 'X' - NOT SURE WHETHER  
THEY WANT ME TO 'X' DOCTORS OR THEY  
WANTED TO 'X' ME.

ANOTHER PUT MY CHINESE NAMES IN WHEN I  
HADN'T USED THEM FOR MY SUBMISSION - DON'T  
LIKE THEM AND HAVE NEVER USED THEM  
PERHAPS THERE ARE SOME RACIST STAFF  
LANCET, ANOTHER IRREGULARITY.

PERHAPS THERE ARE SOME RACIST STAFF IN THE LANCET, ANOTHER IRREGULARITY.

MY PAPER 'IS DIABETES AN IATROGENIC DISEASE' WAS REJECTED SO I SENT IT IN FOR AN 'APPEAL'. IT WAS SEEN BY DR DAN ERKES A SENIOR EDITOR WHO REVIEWS PAPERS SENT TO HIM IN THE USA BY THE LANCET. HE WROTE TO ME SAYING THAT IT HAD BEEN REJECTED WHEREAS THE DEPUTY EDITOR SABINE KLEINERT HAD REJECTED MY FIRST PAPER.

AS IT HAD BEEN REJECTED, I WANTED TO SEND IT TO THE OMBUDSMAN SALLY MARSHALL JUST AS I HAD DONE WITH MY ASTHMA PAPER. HOWEVER, DESPITE ASKING DAN AND SABINE KLEINERT TO POST THE REJECTION IN MY LANCET ACCOUNT, SO THAT I COULD SEND IT TO THE OMBUDSMAN, THEY NEVER DID SO.

IT TOOK THE LANCET A MONTH TO DECIDE TO REJECT MY PAPER "QUESTIONS ABOUT THE DOSE OF AMOXICILLIN 1981-2023". I SENT IT FOR AN APPEAL AND TO THIS DAY HAVE NOT BEEN WHETHER IT HAS BEEN ACCEPTED OR REJ
