WHEN YOU FIND LOVE (3:52)

(Music: Written to the music from 'Circle of Life' by Elton John; 0:23 – 4:15)

You know when you smile (0:23 – 0:25)

You're a magnet (0:27)

I love everything that you do (0:33)

The only time that my heart will break (0:41)

Is when I'm not holding onto you (0:46)

I dream of you in the evening (0:51)

My hopes are all coming true (0:57)

We know that we will never mislead (1:04)

We can have all the time that we need (1:09)

Cause when you find love (1:13)

There's a song that says (1:18)

There's a paradise out there (1:24)
Where there'll be no crying (1:30)
And the time I know (1:37)
Is here and now (1:42)
Here right (1:50)
Here right now (1:54)

You know when I see you crying (2:03)
I have to hold on to you (2:09)
Now I know that there's a heaven (2:15)
It's there when I'm looking at you (2:21)
I dream of you in the evening (2:27)
My hopes have now all come true (2:33)

The embers and fires of love (2:38)
Will always be burning bright (2:45)

Cause when you find love (2:48)
There's a song that says (2:54)
There's a paradise out there (3:00)
Where there'll be no crying (3:05)
And the time I know (3:12)
Is here and now (3:18)
Here right (3:24)
Here right now (3:32)

I wished on a star (3:36)
And here you are (3:41)
You're here right now (3:48)
Here right now (3:53)
My dreams have come true (4:00)
You're here now
Here right now (4:15)
