## DAY OF COORDINATOR

- **Pre-Event Coordination with a Customized Schedule**

We offer an onsite or virtual meeting to finalize your layout and create a customized schedule.

We contact your vendors and communicate all scheduling details to them.

- **Event Management**

We will be there the day of your event guiding your family and vendors through setup and photos. Once the wedding begins we manage the flow utilizing the schedule we created to ensure a smooth and peaceful event day.

- **Customized Services**

Each of our valued customers has a unique set of desires and requirements to make their day successful. These are all discussed during our pre event meeting and incorporated during the day of your event.
