

Grape Galena

Specifications:

Indica-leaning Hybrid
Lineage: (OG Kush Breath x Lost Sailor) x
Platinum Kush
THC: 25.92%
Terpenes: 2.06%
Top 3 Terpenes (in order):
Limonene
Trans-Caryophyllene
Farnesene

Flavour-notes:

Sweet fruity candy that barely conceals the musky undertones of strong cannabis. Opening a container of this cultivar is never disappointing for the nose, and it retains that grape-candy flavour and smell in the smoke too!

Visual characteristics:

Dense, deep purple nuggets of joy carefully hand-manicured that are positively loaded with white trichomes. Leaves purple powder in your grinder and visually it's what you expect when you think about grape drink in the form of cannabis

Production History

This product was flowered, harvested, dried, and cured at the Prairie Trichomes Ltd. cultivation facility with a focus on attention to detail and the highest quality standards for nutrition, plant maintenance, and above all else cleanliness!
