ABOUT US

We are a small vineyard and winery located just 30 minutes south-east of downtown Tucson. Nestled in the foothills of the Santa Rita Mountains our intimate vineyard location is a beautiful setting for your special occasion. We have experience hosting weddings, rehearsal dinners, birthday parties, bachelorette parties, retirement parties, and celebration of life gatherings. Our cozy venue allows guests the chance to mingle on the deck, and to meander through the vineyard while drinking a glass of wine.

The best way to see if this venue will work for you special event is to come visit us and check out our amenities in person. Our tasting room hours are:
Thursday through Sunday 10 AM to 6PM

We are happy to host private events outside of our normal tasting room hours, including anytime on Monday, Tuesday, and Wednesday, or before or after our tasting room hours Thursday through Sunday. While we are unable to host private events during tasting room hours, you can easily rent out the venue after tasting room hours for a sunset event and celebrate into the night.

The maximum number of guests we can accommodate is 80, but that is full occupancy and leaves little room to move chairs and tables around.

Q & A

Q: Do you have a microphone?

A: The only microphone system we have available is one small karaoke machine.

Q: What is the best time of day or year to get married at Charron Vineyards?

A: Spring is a beautiful time of year in the vineyard with the new vine leaves and first rose blooms, but every season has its own beauty. Because of our westerly mountain views, many of our guests choose to have a sunset wedding.

Q: Will we need to work with a rental company if our wedding and reception is held outside?

A: Only if you want additional seating or tenting.

Q: How many cars can you accommodate?

A: 50

Q: I'd like to keep an open bar tab at my event. Is this permissible?

A: We will gladly keep an open tab at the bar for all patrons over 21 years old with appropriate deposit and credit card information exchanged beforehand.

Q: I'd like to pre-purchase my wine and non-alcoholic beverages and food options before hand to serve to my guests. Is this acceptable?

A: Absolutely. Pre purchasing your wine and non-alcoholic beverages is a good way to control costs of an event, and we recommend it. If you run out of pre-purchased product, you and your guests can always buy additional product at the bar. There are many different ways to handle distribution of pre-paid beverage purchases, please reach out to us for ideas and info.

Q: My party's rocking, and my guests would like to spend time beyond our agreed upon reservation allotment. Can we spend extra time?

A: Yes, however, this will need to be discussed with the manager who will be on-site with your event. Additionally, each subsequent hour spent at the venue after the original agreed upon time will be charged at 150% of the rate to help counter overtime pay for staffing. Please keep in mind that the on-site manager has full discretion on hosting the event longer than agreed upon.

Q: My special event is in the winter months. Will my guests get cold?

A: It can be cold in the winter months. We do have some outside heaters for the patio, but not enough to accommodate all of our seats. You can have your special event inside two of our heated buildings - the tasting room (maximum capacity 20 people) and / or the Arizona room (maximum capacity 20 people). You will still have access to the vineyard and patio even if the majority of your event takes place inside.
