

Dear Friends,

All of us at SRQ Strong are deeply grateful to you for being part of our growing movement. Because of your support, we are building stronger communities across Sarasota and Manatee counties—communities rooted in connection, care, compassion, and collective well-being.

This year, our dedicated board and committee members helped guide an important milestone: the launch of our Trauma-Informed Community Development Institute. This work sparked the formation of the Newtown Neighborhood Expert Team, strengthening local leadership and expanding community-driven solutions.

Looking ahead to 2026, the momentum continues. SRQ Strong will host its first Banyan Conversation Series, introduce new workshops that explore the powerful role of the arts in post-traumatic growth, work across counties in Florida to deliver hurricane preparedness and coping skills, and deepen relationships through trauma-informed community development practices.

We invite you to join us in the year ahead—through a gift, your presence, or your time—and help shape a stronger, more connected community where healing, resilience, and hope can flourish together.
