

# NANTICOKE VALLEY HISTORICAL SOCIETY

Thank you for your support of the Nanticoke Valley Historical Society. Your membership has been invaluable, enabling us to continue our mission of safeguarding the stories, landmarks, and traditions that enhance our community.

We invite you to renew your membership. To make membership more accessible and to help grow our membership numbers, we are **keeping in place last year's lower rates**

As we apply for grant funding to restore our historically significant buildings, host educational programs, and preserve our archives, grant providers often look at the strength of our membership as a measure of community support.

We truly value your membership and support and look forward to seeing you at our upcoming events.

## BY RENEWING YOUR MEMBERSHIP, YOU HELP US

- Strengthen our case for grants to support preservation and education projects
- Continue offering valuable **school visitations** and programs for people of all ages (schoolhouse and museum tours; educational lectures and workshops; music and arts events and more)
- Ensure the stories and heritage of our community are preserved for future generations

Please share the benefits of membership with your friends and family. Here are just a few of the benefits our members receive:

- Invitation to attend special member-only events
- Priority notification and registration for events, presentations, field trips, and workshops
- Discounts on select publications
- Subscription to our digital newsletter
- Opportunity to become involved with restoration projects
- A sense of community belonging
