

Nanticoke Valley Historical Society

2018 Special Newsletter # 4 November edited by Phil Childs

The Maine Event 2018 will be brought back next year., new name (**Maine Fest 2019**) and lots more to do. We will continue with porches and barns as a staging areas for music , arts and crafts. What we hope to do, with your assistance is to get more organizations involved. For those of you who donated this year ...thank you...we will continue to fund the event solely through donations and grants.

Donors: The Maine Fest committee tried to come up with a plan to both fund the event and have some money left over to help the Nanticoke Valley Historical Society. We decided that in order to have the entire town involved that it needed to be an open event. The way we came up with to obtain monies was to be funded solely by donations, sales of items and if possible grants. As we projected our costs we realized that over four thousand dollars would be needed just to operate the event. We are pleased to report that the NVHS will add to its treasury close to five hundred dollars after all bills are paid off. Please remember that NVHS is a tax deductible 501 3 c organization, any and all events are aimed at preserving the history, culture and structures of the town.

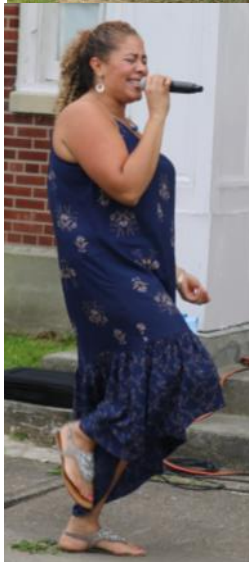

Help us however possible. Thanks.

for taking all of the great photos of the Maine Fest

A special shout out to Dick Shipway for the out standing effort he put in to applying for and securing an IBM Community Fund grant. Dick and Anita both worked tirelessly generating the needed documents, writing the grant proposal and submitting it to IBM corporation. The grants title was the Clarence Stratton Project and its objective was to cover the costs involved in writing and publishing the *Clarence F. Stratton Artist and Historian* book and cards. This grant enabled us to add an important historical treatise which are available to purchase through the historical society.
