Group Therapy” is a quartet with a combined 120 years of Barbershop experience. Members are Linda Laraway singing Lead, Kandy Getty singing Tenor, Jerry Schmidt singing Bari and Jim Holder singing Bass. All have sung in numerous quartets over the years. Since all four enjoy learning new music and relish a challenge, they felt that a mixed quartet would be therapeutic – hence the quartet’s name. Group Therapy is the current Seneca Land District of the Barbershop Harmony Society Mixed Quartet Champions.
