

For Ken T xx

Two voices, one male, and one female overheard on a plane: "I think everyone's asleep let's go."

"This one's empty, no-ones looking, you go in first."

"It's a bit cramped, let me sit down!"
"Have you got the condom?"

Quick put it on."
Sniff, sniff, "Ah perfume you think of everything!"

"This is great." (long sigh!)
Static on the loudspeaker, then a new voice:

"This is the captain speaking, to those two people in the rear toilet.

We know what you're doing, and it is expressly forbidden by airline regulations.

Now put those cigarettes out and take the condom off the smoke detector."

Week ago, my Mother-in-law began reading, "The Exorcist". She said it was the most evil book she ever read. So evil in fact, she couldn't finish it, took it over to the beach and threw it into the ocean off a fishing pier. I went and bought another copy, ran the faucet over it and left it in the night table drawer by her bed. I'm going to Hell

HAPPY BIRTHDAY

Thank you for adding your birthdays. Just write in sign-in book beside your name at any time. No year.. Just day and month.

Welcome to middle age. You now must take pictures of instructions so you can enlarge them.

Two peanuts walk into a bar. One is a salted.

At a girl's college hostel, dates were permitted only on Saturday nights. One young man showed up on a Tuesday evening, explaining to an older woman in the lobby of the dorm that it was imperative he see a certain young lady immediately. "I want to surprise her. You see, I'm her brother." "Oh, she'll be surprised all right," said the woman. "But think of how surprised I am! I'm her mother!"

I'm not so sure about an inner child, but I have an inner idiot that surfaces every now and then.

When older people say, "Enjoy them while they are young." They are talking about your knees and hips not your kids.
