

For Immediate Release:

HAND HEART, + SOUL PROJECT NAMED “2022 TOP-RATED NONPROFIT” by GreatNonprofits

Award based on Community Recommendations

Jonesboro, Georgia (November 7, 2023) –Hand, Heart, + Soul Project announced today it has been named a “2022 Top-Rated Nonprofit” by GreatNonprofits, the leading website for community recommendations of charities and nonprofits.

Hand, Heart, and Soul Project provides children and families access to nutrient-dense foods, develops holistic programs focused on health, wellness, nutrition, and education, and advocates on the local, state, and federal levels to bring historically marginalized and minoritized voices to places where decisions are made.

“We are honored to be named a 2022 Top-Rated Nonprofit,” says Wande Okunoren-Meadows, Executive Director, Hand, Heart + Soul Project. We are proud of our accomplishments this year, including deepening our work with the Clayton Collective, local agriculture and nutrition education, community building, advocacy, and more.

The Top-Rated Nonprofit Award is based on the rating and number of reviews that Hand, Hand + Soul Project received from volunteers, donors, and aid recipients. “An organization of their word. We have worked with them for about a year and have had a chance to grow with the company. Had to learn the style of how they operate but I give them credit for speaking up and wish they would expand outside of current territory to serve a wider population.”

“Hand, Heart, and Soul Project is a great example of a nonprofit making a real difference in their community,” said Shari Tishman, Managing Director of GreatNonprofits, “Their award is well-deserved recognition not only of their work, but the tremendous support they receive, as shown by the many outstanding reviews they have received from people who have direct experience working with Hand, Heart, and Soul Project.”

GreatNonprofits is the largest donation website for nonprofits and where people share stories about their personal experiences on more than 1.8 million charities and nonprofits. The

GreatNonprofits Top-Rated Awards are the only awards for nonprofits determined by those who have direct experience with the charities – as donors, volunteers and recipients of aid.
