KEY TAKE AWAYS

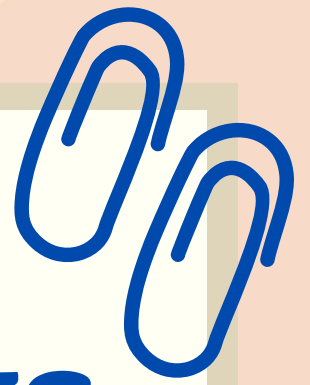

1. We had an excellent turn out – we think it is because we posted flyers with date and time so that the guests of Lotus House knew to expect us. We are so grateful to all of the moms who planned their day around the event and brought their kids in.

2. Unlike in the past, this time we bought individual packages of stuffing for each animal. **THIS MADE A HUGE DIFFERENCE!** We highly recommend this.

3. The kids used patches to decorate the shirts and bandanas – make sure they are self-stick – they really add a fun dimension to the whole experience.

4. Hand out little pieces of paper and ask the kids to put a wish in their new pet – this is a sweet element to the event.

IMPROVEMENTS

1. Always bring music – this time we didn't have our speaker. Music is always a great way to turn an event into a party. Thankfully, we had so many great moms and kids that they made it a party without music.

2. We had one shirt per stuffed animal – our advice is to buy extra. There are always mistakes made or kids who want to try an extra design. If you can, buy extra shirts for this.

3. See point number 2 and apply that to bandanas too – the kids love decorating the accessories, so bring extra for them.
