Affiliations

We are professionally affiliated with Engineers Australia and maintain active participation in professional engineering registration schemes across **Queensland, Victoria, and the ACT**. These affiliations reflect our commitment to industry standards, technical excellence, and ongoing professional development, ensuring our team delivers high-quality, compliant, and innovative engineering solutions.

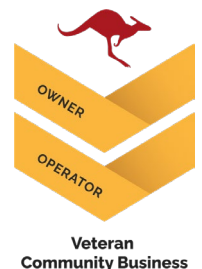

We proudly support the Australian Defence Force community through active participation in the Veteran Employment Program (VEP) and the ADF Reservist Employer Support Program.

These partnerships reflect our commitment to meaningful employment for veterans and Reservists, whose leadership, discipline, and adaptability enrich our team and culture.

We actively recruit through veteran-focused channels, provide tailored onboarding and mentoring, and offer flexible arrangements to support Reservist duties. Our teams are trained in military cultural competence to ensure inclusive and informed hiring.

SECKO is a proud member of the Veteran Business Community, a national network of veteran-owned and operated businesses. This membership connects us with like-minded organisations, strengthens our commitment to veteran entrepreneurship, and reinforces our dedication to supporting those who have served, both in employment and in business.

“We’re proud to stand with those who serve and are dedicated to helping them build rewarding careers at SECKO” – co-founders Brent Goreham and Brendan Clark
