Polsgrove Plumbing Services LLC is a family owned and operated full-service plumbing company located in Katy, Texas, proudly offering residential and commercial services. We pride ourselves in delivering the best customer service by providing the highest quality and professional plumbing service available. Here at Polsgrove Plumbing, our customers and our employees come first. All of our employees are licensed, insured, background checked and drug tested to ensure the safety of our customers, their families, homes and businesses.

Our Core Values Include:

- Integrity
- Quality workmanship
- Customer service
- Honesty
- Caring
- Punctuality
- Cleanliness

Our philosophy is to provide our customers with the most professional, efficient and reliable plumbing service available. We strongly believe in building lasting relationships with our customers by offering great customer service, competitive pricing and quality service. We offer only top quality materials and name brands that command public trust. We also follow superior ethical policies in business practice by keeping customers apprised of the costs and options associated with their service requests. We pride ourselves in operating our business in a clean, polite and courteous manner with attention to detail and protection of our clients' property. We believe strongly in giving back to our community from which we derive our business and recognize that good will is worth more than monetary gain when worthwhile causes are supported.
