

VARIOCOOK

- Endless Possibilities, One Cooktop -

Meet the concept

Single burner units that mount under the counter to make endless combinations and possibilities!

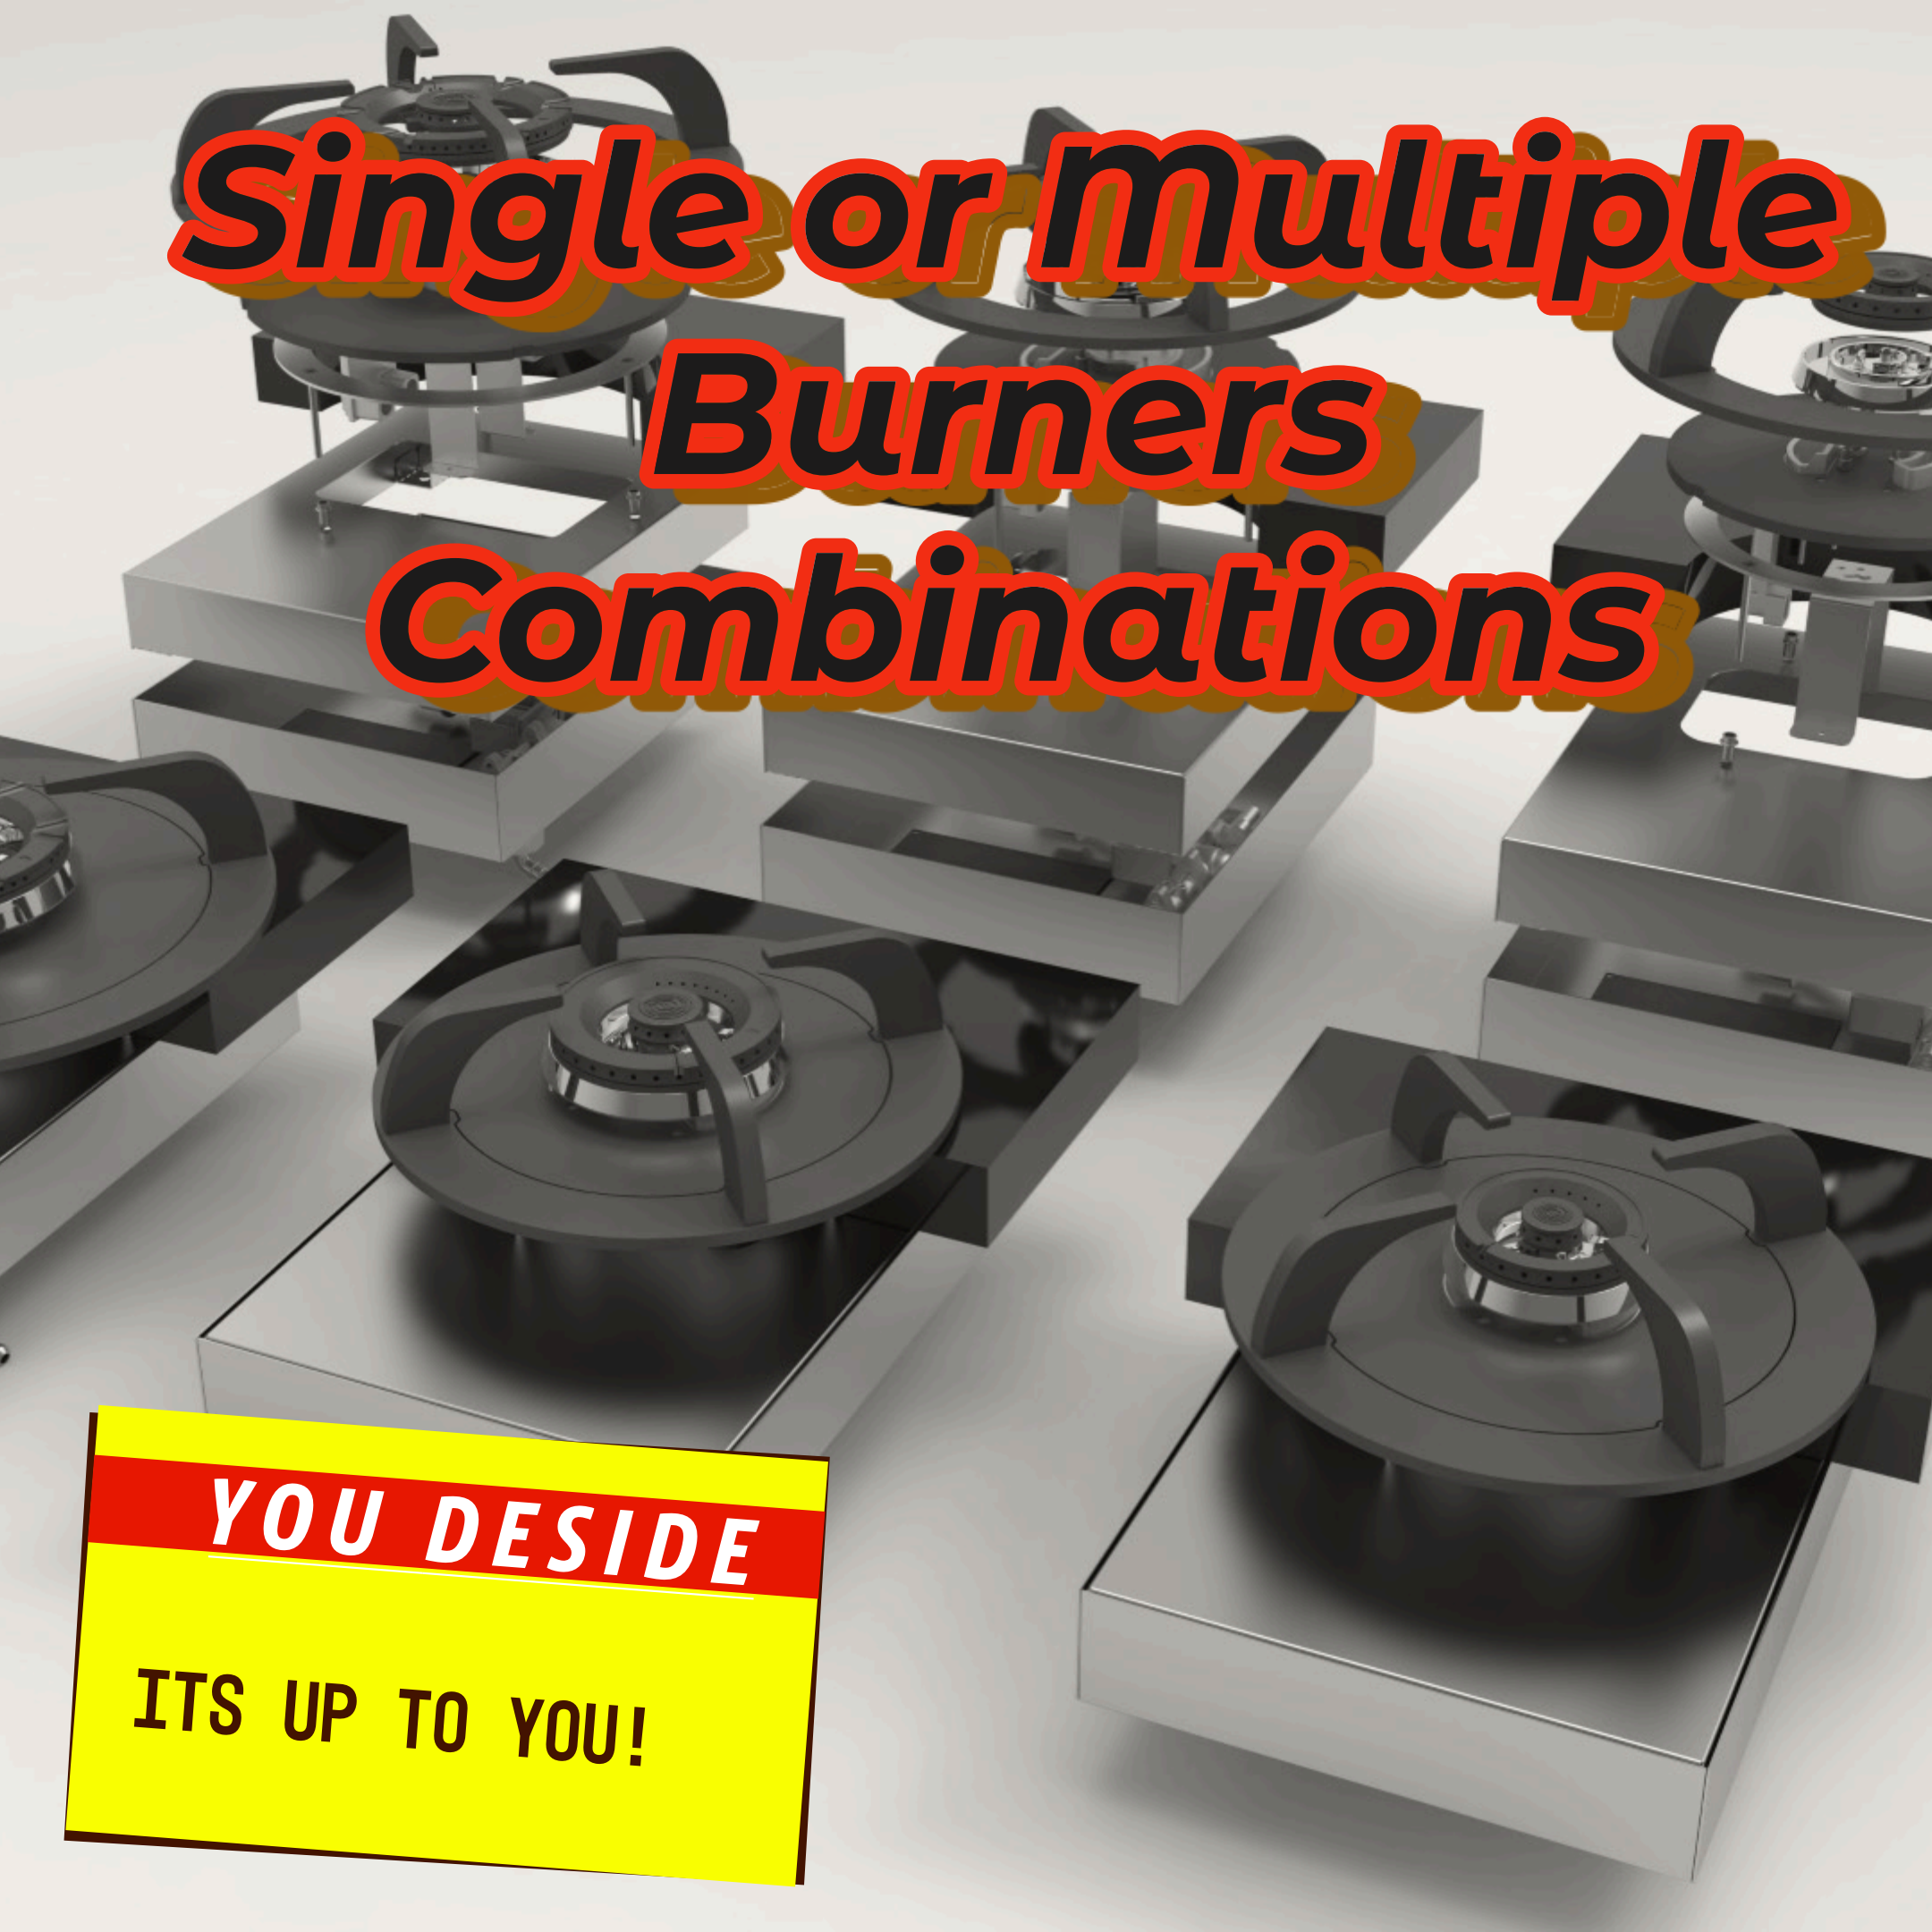

Add one, two, three or more in any combination or layout on your counter-top

**ALL YOU SEE
IS MY BURNER**

I am the "E-Gas " control module which is available in three burner sizes, from 2KW, 3KW, 6KW

My control's mount where ever you want them, counter top to cabinet face.

Single or Multiple Burners Combinations

YOU DESIDE

ITS UP TO YOU!

My Control
can be
mounted
almost
anywhere
you want!

ELECTRONIC CONTROL

**AUTO SHUT-OFF
MOUNTS ANYWHERE!**

**I'm the star of the
kitchen!**

**Everyone will love
how clean and easy
I am to use!**
