

WAITING TABLES IN 4 STEPS

❖ GREETING & TAKE DRINK ORDER

- Take menus and silverware with you to greet the table.
- Be consistent with greeting: "Hey, how are you guys? My name is ____ and I'll be taking care of you. What can I get you to drink?"
- Always start on your left and go around in order, using a new seat number for each person.
- Follow proper carding procedure: **Ask age, then see ID for EVERY PERSON.**
- Ask if they would like to order an appetizer.
- Ask if this will be all together or on separate checks? Combine checks as needed now.
- Announce that you'll go grab drinks and be back to take food order. Smile!

❖ DELIVER DRINKS & TAKE FOOD ORDER

- Try to deliver drinks left to right, the same way you took the order.
- Take food order from left to right, keeping orders on correct seat numbers.
- If a customer has questions about an item, open the menu and point them back to that item.
- Ask questions if anything seems unclear about an order – Don't guess! Avoiding a problem is SO much easier than fixing a mistake.
- Check kitchen frequently after food order is sent for pickup.
- Check to see if drink refills needed before food is done.
- Don't refill dirty glasses – get a new soda glass every time!

❖ DELIVER FOOD AND REFILL DRINKS

- Pass out food from left to right, in ticket order; avoid auctioning.
- Ask if anything else is needed with food and get drink refill orders.
- Pick up any and all dirty glasses or dishes and take with you when leaving table.
- When delivering refills, check to see if everything is okay and check for prebus.
- Glance at table while giving them time to eat.

❖ PRINT BILL AND CHECK ON TABLE

- Ask how everything was and if anything else needed.
- Drop off check(s) and tell them you can take card payment or make change for them right at the table.
- Prebus again, taking all dirty plates/glasses that you can to the back.
- Take payment when you come back or continue to wait on table if they are staying for drinks.

DRINK/COCKTAIL SERVICE ONLY

❖ GREETING & TAKE DRINK ORDER

- Be consistent with greeting: "Hey, how are you guys? My name is ____ and I'll be taking care of you. What can I get you to drink?"
- Always start on your left and go around in order, using a new seat number for each person.
- Follow proper carding procedure: **Ask age, then see ID for EVERY PERSON.**
- Ask if they'd like to start a tab with a card or pay as they go with cash. There are no other options.
- Announce that you'll go grab drinks and be back. Smile!

❖ DELIVER DRINKS & CONFIRM PAYMENT

- Try to deliver drinks left to right, the same way you took the order.
- Collect payment immediately when delivering drinks if they are paying cash.

❖ CHECK FOR DRINK REFILLS

- Continue to check periodically/preorder drinks as needed.
- Remember to collect cash payment each round.

❖ FINAL BILL/CREDIT CARD PAYMENT

- Print bill and take to table
- Prebus all glasses/bottles possible

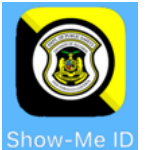

PROPERLY CHECK I.D.

~ avoid being fired on the spot ~

- CHECK I.D. FOR ANYONE WHO APPEARS TO BE 35 OR YOUNGER:

- Must be 21 or over to buy alcohol OR cigarettes in the city of Columbia.
- If you are unsure how old a customer looks, that means you need to card them.
- EVERY CUSTOMER at a table with anyone drinking needs to be carded, not just the person who “orders” or “pays for” the drinks. Use common sense:
 - If a man orders a beer with his wife and kids, they don’t all need to be carded.
 - *If a young woman orders 5 shots, card everyone at her table; The shots are not all for her.*

• SCAN ALL IDs with SHOW-ME ID APP on your IPAD

- Valid I.D.: State Issued Driver’s License, Non-Driver’s License, Passport, or Military I.D.
 - ***I.D.s CANNOT BE EXPIRED.*** Accepting one is against the law.
 - DO NOT GIVE BACK FAKE I.D.s!! Take it to your manager to check it immediately.
 - If a customer insists it is a valid Out of State I.D., MGR will check State I.D. book at the bar.
 - MANAGERS: ALWAYS KEEP FAKE I.D.s in the envelope in the change pan labeled “I.D.s”
- If a customer refuses to show I.D. or claims not to have one, simply tell them you won’t be able to serve them alcohol. If they argue, refer them to the manager on duty. Customers that become combative about I.D. will be asked to leave. ***THERE ARE NO EXCEPTIONS TO THIS RULE.***
 - **FINES:** If a liquor patrol agent catches you in violation (they are always undercover), the law requires us to fire you on the spot. Then you will receive a court summons. At your court date, a judge will assign you a fine and possible probation depending on the severity of your offense. While you are waiting for your court date, which could be in 30 - 120 days, you are not permitted to work at any establishment that sells alcohol. No restaurants, grocery stores, gas stations, etc.

We are not a ‘College Bar’ or a Nightclub.

We DO NOT serve minors, period.

Serving Minors will get you FIRED.
