

MOPPING GUIDE

WHO SHOULD MOP?

The final 2-3 servers. Fridays & Saturdays this is Closers only.
Weeknights 1st cut should mop small riser ONLY, and ONLY if empty.

WHEN SHOULD WE MOP? ONLY after 9pm, ONLY in empty zones, & ONLY after sweeping.

****Zones 6, 8, and bathrooms can ONLY be mopped after close.**

HOW SHOULD WE MOP?

- FIRST, Unscrew all mop heads, place them in a glass rack with the silverware rack stacked on top. Run through dishwasher.
- Do not use the Kitchen Mop. (tape on handle).
- Screw freshly washed mop heads back onto mop handles.
- Fill mop bucket to fill line with mop solution from dispenser.
- Dunk mop in water, slop onto floor and use the mop head to scrub the dirt and grime off the floor. Now dunk the mop head again to rinse it out, and use the wringer to get the mop as dry as possible.
- Using this wrung out mop head, go back over the wet area, mopping to soak up as much water as possible. Repeat.
- **GET FRESH MOP WATER FOR EVERY ZONE. RINSE YOUR MOP HEAD IN BETWEEN ZONES USING THE MOP SOLUTION HOSE & MOP SINK.**
