DEPARTMENT OF THE
ATTORNEY GENERAL
OFC OF DISPUTE RESOLUTION

2020 MAY 11 AM 10:17 *PK*

In the Matter of TEVITA AHOMANA, by and
through his Mother, FEKETI HUAHULU,

Petitioners,

vs.

DEPARTMENT OF EDUCATION, STATE OF
HAWAII, and CHRISTINA KISHIMOTO,
Superintendent of the Hawai'i Public Schools,

Respondents.

DOE-SY1920-043

STATUS CONFERENCE – AMENDMENT TO
HEARING REQUEST

Whereas Parent Advocate, Vanessa Ott, is not permitted to assist Petitioner by questioning witnesses at the impartial due process hearing; and

Whereas Petitioner is able to represent herself without an attorney and with the assistance of a Tongan interpreter on only one issue in the 3/24/20 impartial due process hearing request;

Petitioner requests that the impartial due process hearing request be pared down to the following:

Procedural violation

Parent has requested copies of the complete educational records for Tevita Ahomana and been denied. (34 C.F.R §§ 300.501(a); 300.613(b)(1); and § 300.617(b)).

During School Year 2019-2020, the school used the i-Ready assessment software. This software is capable of generating two important diagnostic reports for Math and Reading:

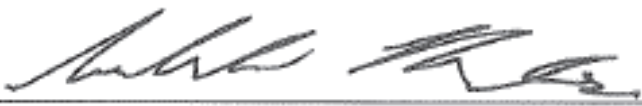

1. Diagnostic Results
2. Diagnostic Growth

As of May 11, 2020, the DOE had supplied the complete Diagnostic Results reports for SY 2019-2020. However, the DOE has refused to comply with repeated Parent requests for the complete Diagnostic Growth reports which would include the comparative charts of *all* the assessments throughout the school year.

Throughout the school year, Parent, with the assistance of Parent Advocate Vanessa Ott, had to make numerous requests each time assessments were given before receiving these educational records.

Requested Resolution

As members of the IEP Team, both Feketi Huahulu and Vanessa Ott and will receive via email *full* diagnostic reports of all school-wide assessments within 2 working days of assessment completion.
