About Our Charity Concert

The Cedar Park Public Library Foundation assists the Library in achieving excellence by providing financial assistance beyond City funding. We invite everyone to dream big for the New Library coming to the Bell District in the fall of 2024! Our Imagine the Possibilities enhancement campaign will add more books, technology, interactive learning exhibits, STEM kits, and artwork to the new building. Please sponsor our concert series - Together we can help the Library staff expand programming and resources to support a strong, vibrant community for all!
