

Sponsorship Opportunities - 2019

Program Details

- Books for Babies is a program that was initially created by the Leadership Cedar Park Class of 2016, and is now a part of the Cedar Park Public Library Foundation.
- Books for Babies aims to increase childhood literacy rates in Cedar Park by fostering an understanding of the importance of early literacy with new parents, providing books to newborn babies, and encouraging an early relationship with the Cedar Park Public Library.
- In 2019, the program will provide a new baby book for every newborn child born in Cedar Park Regional Medical Center, placed inside a sponsored book bag, along with information about the importance of reading to your child, a list of suggested books, and "Baby's First Library Card".
