

Harborview Times

Thanksgiving

Looking to do something different this year? Take a step back in time with a trip to Williamsburg, VA. On your way there stop by the Berkeley Plantation in Charles City, VA.

Berkeley Plantation is the home of our nations first Thanksgiving. Yes, that's right our first Thanksgiving. Berkeley is a short three hour drive from Harborview. Once you arrive you will be met by trees and landscapes that have stood the test of time. The tour guides are amazing as they tell you about the history and significance of the Berkeley Plantation.

From here continue on to Williamsburg, VA and take a walk through Historic Colonial Williamsburg. While there stop by the "Capital Building" and learn about how our government was founded. It will truly be a Thanksgiving to remember for all.

HVIA BOARD MEETINGS

HVIA Board meets on the 2nd Tuesday of every month at 7pm. We meet at the Galilee Lutheran Church and all residents of the community are welcome to attend. Log onto WWW.HARBORVIEWKI.COM and/or FACEBOOK for meeting updates, changes or cancellations.

!!Board Members!!

Your Harborview (HVIA) Board is made up of 9 homeowners. We currently have 7 members on the board and are looking for 2 more. If you are interested please come to an upcoming Board meeting. You have to be a Homeowner, living in the community in order to be a member of the Association Board.

Building Permit Process

When building an addition, deck, shed, pool, etc., here is the process to obtain a building permit thru the county. The HVIA follows the building specs and set backs that are set by the county. If you have a specific question please call the Q.A. Building Permit Dept at 410-758-4088. Send a drawing/plan to the Harborview Improvement Association (HVIA) Board. With HVIA Board approval letter in hand, obtain building permit thru the county. To avoid any delays, please follow the steps above. Please let the board know if you have questions about this process.

Cox Creek Connector

I'm sure many of you did not know that there is a proposed plan to connect Thompson Creek Rd to Cox Neck Rd. This connector has been in the Kent Island comprehensive traffic plan for over a decade. Your HVIA Board has looked at this from many different angles and have determined that it would have a negative affect for Harborview. We have begun discussions with Q.A. County and will work hard to make sure Harborview is protected and represented. If you would like more information, please attend an upcoming board meeting.
