OPERATIONAL EXCELLENCE

We are recognised as certified CE manufacturer for our medical products, hospital furnitures and healthcare devices. Abronn

consistently delivers high-quality service tailored to the exact needs of our customers. Adding value to our products and services, Abronn FZE operation is accredited certified to ISO9001: Quality Management System (QMS), ISO13485: Medical Devices, ISO14001: Environmental Management System and ISO45001: Occupational Health & Safety.

WE GENERATE A

THREE-FOLD POSITIVE IMPACT

We listen to the needs of our customers and then tailor our services and products to meet and satisfy the customers' quality orders. This is made possible by our highly skilled workforce, which successfully implement and continually improving our Quality Management System **ISO 9001:2015**.

OUR VISION

Global recognition as “The Best Source for Health care solutions” offering products and services to our customers, henceforth strive to achieve and exceed our customer expectation in quality, delivery and cost.

OUR MISSION

Improving people's lives with our healthcare products. Abronn's mission is supported by five pillars – guiding principles that are foundational to our success and future growth. Customer Focused, Quality Products & Services, Innovation & Technology, Cost-Effective Solution & People.

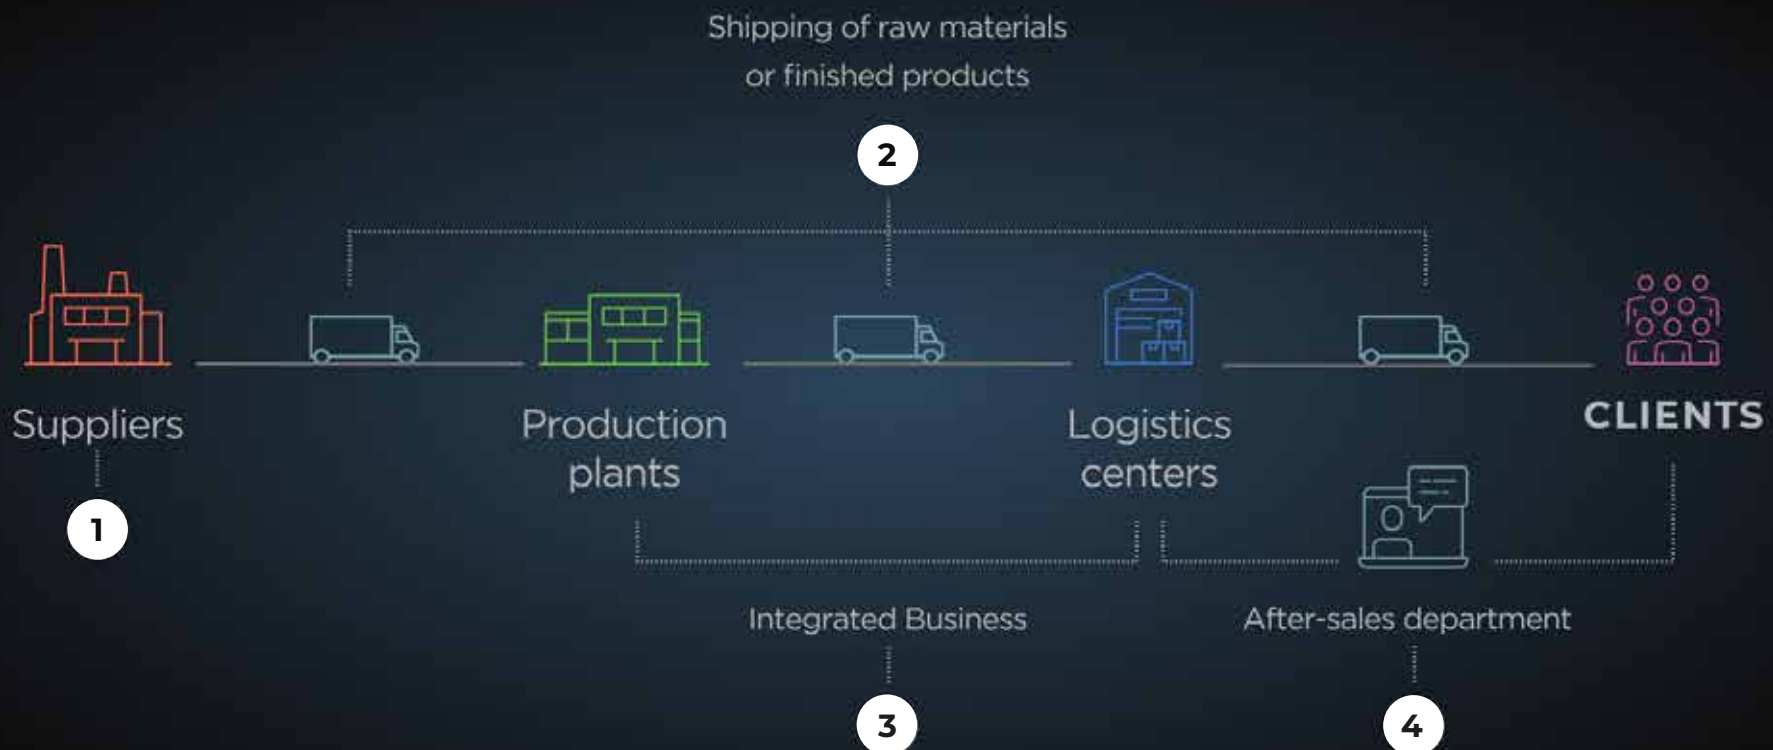

CORE VALUES

Our core values define what we stand for, how we conduct ourselves and how we interact with colleagues, customers, vendors, shareholders and others. Our core values are accountability, Agility, Courage, Integrity, Teamwork & Results - orientated.

BY CONSOLIDATION OF

4 STRATEGIC PILLARS
