

## Quincy Band Boosters 2023-24 Information Sheet

### Who are we and what do we do?

Quincy Band Boosters (QBB) is an organization that includes parents, families, alumni, and community members of the Quincy Public Schools instrumental musical programs created in 2013. QBB is run by a dedicated team of volunteers who are committed to supporting the students and faculty of the Quincy Public Schools Instrumental Program. Our mission is to bring the opportunity to every interested student in the Quincy Public Schools wanting to learn how to play an instrument.

QBB raises funds and solicits donations to support private student lesson and summer camp scholarships, supplies for the QPS Instrumental Program, and any other general support that is needed. Please visit [www.quincybandboosters.com](http://www.quincybandboosters.com) for more information.
