What is Uplift?

Uplift gives you the freedom to book travel now and pay over time with simple fixed installments. Some plans include interest while some are interest-free.

I purchased a trip using Uplift, can I travel before it's paid off?

Yes! You do need to allow a few days between booking and your departure date for things to process. Other than that, you are free to travel whenever - even before you're all paid off.

How are my loan term offers determined?

We look at a number of factors, including your credit information, purchase details, and more.
