

Hello,

Welcome to The Tips Club, where we've reimaged the traditional golf club experience to fit seamlessly into your busy life. We know that traditional private clubs offer great perks—convenience, quality, a sense of community—but they often come with drawbacks like long transit times, lengthy rounds, and the need to change and commute back home. Even squeezing in a quick round or practice session can feel like a major time commitment. These drawbacks are why we created the Tips Club.

Additionally, In North Texas, weather can be a significant barrier to enjoying golf, with scorching summers and chilly winters limiting your playtime. At The Tips Club, we've tackled these issues head-on. Our climate-controlled environment allows you to enjoy the game year-round, regardless of the weather outside.

What truly sets The Tips Club apart is our vibrant community. We're a welcoming place for both seasoned golfers and those new to the game. Here, you'll find a friendly, inclusive atmosphere where you can connect with other members who share your passion. Our founders are committed to creating a space where fellowship and top-tier amenities go hand in hand.

Thank you for your interest in The Tips Club. We look forward to welcoming you and helping you make the most of your golfing experience. If you have any questions, feel free to reach out.

Warm regards,

James West
