FLORIDA PEANUT MARKETING ORDER

JULY 1, 2023 THROUGH JUNE 30, 2024

A farmer driven board oversees and manages Florida Peanut Federation's share of check off investments, which focuses on public relations and advertising campaigns to result in the further development, promotion, sale and use of Florida grown peanuts. FPF uses its personnel, facilities, and research in the complete handling of a Florida peanut promotion and educational program for the Florida peanut industry; Specifically through deliverables of (1) consumer-focused activities and events, (2) industry-focused activities and events, and (3) reaching at least 100,000 consumers through the public relations activities and advertising campaigns.

Student Leader Peanut Harvest Tour in October 2023, Students from Williston, Florida, on a peanut combine in Gilchrist County; they enjoyed sitting in the cab and imagining themselves driving across the field.

Dear Peanut Farmers,

The opportunity to represent one of Florida's most tasty agricultural commodities is an honor and a responsibility that I do not take lightly. Along with the Board of Directors, I assure you that the investments made by Florida peanut farmers into the Peanut Marketing Order, are precious to us and we are grateful to work on your behalf to make the most of this resource. Florida Peanut Federation Board of Directors are peanut farmers, like you, who pay in and expect a worthwhile return on the marketing dollars. This report showcases the programs, activities, and promotions of FPF July 2023 through June 2024. I trust you will find this report thorough and provide insight as to the workings of FPF via marketing and educational efforts. Should you have questions, please reach out. You are always welcome, indeed encouraged, to attend meetings, visit with me at the office, and share thoughts as we move forward together.

Best regards,

A handwritten signature in black ink that reads 'Laura Goss'.

Laura Fowler Goss
Executive Director

Dear Consumers,

Thank you for spending time with us over the past year. It is great fun to share with you about Florida's peanut industry; an industry that generates \$150,000,000 production value. One of the 300+ commodities produced in Florida, it is the only seizable commercial nut production in our great state. I'm sure you've heard me say that peanuts are a protein powerhouse, prevent heart disease, and have been proven to reduce the risk of cancer development. Peanut are an incredibly sustainable crop and benefit the environment in numerous ways. Hopefully, our promotion efforts have educated you and encouraged you to 'Eat More P'Nuts!' Thanks for your continued support!

A handwritten signature in black ink that reads 'Laura'.

OVERVIEW

Nearly six-hundred members and partners strong, Florida Peanut Federation is investing farmers' trust fund money, through the FDACS Peanut Marketing Order, to further the peanut industry in Florida. Initiatives of Florida Peanut Federation fall into one of three categories: industry, consumers, humanitarianism. Each facet of work focuses on consumers and/or industry peers. The goals of Florida Peanut Federation align with farmers who regularly grow peanuts in the State of Florida. It is a privilege to work for farmers, spending their investment money with diligence and solemnity. The farmer led board of directors monitors each project to ensure success that follows through to the industry.

2024 BOARD OF DIRECTORS

Murray Tillis, President, Region 2

Herman Sanchez, Jr, Vice President, Region 6

Arlene Bell, Secretary/Treasurer, Region 8

Mike Adams, Region 1

BJ Wilkerson, Region 3

Donell Gwinn, Region 4

Kevin Barrington, Region 5

Clif Townsend, Region 7

Debut "Building Blocks Challenge" Promotion

GOALS 2023-2024

1

Peanut Consumption

Increase Peanut Consumption through strategic marketing campaigns
CONTRACT DELIVERABLE
requirement to reach 100,000 Floridians through five events

2

Farmer Support

Advance peanut research through partnerships, bringing together farmers and research groups to identify specific industry needs
CONTRACT DELIVERABLE
sponsor/support 5 industry-focused activities

3

Community Support

Providing support through philanthropic programs, predominately donations of peanut butter
FPF BOD GOAL
donate 40,000 jars

CORE PROGRAMS

February 24, 2024, Florida Peanut Federation Annual Membership Meeting and Banquet in Lake City, Florida.

Each of the core programs highlights a value of Florida Peanut Federation (FPF). FPF is always striving to execute activities, in order to achieve maximum results for efforts and investments. Year-to-year, the number of projects wax and wain, yet each year the effectiveness of each program is closely measured and monitored for growth.

ADVOCACY
support for or recommendation of PEANUTS

 **98** ACTIVITIES

PROMOTION
publicization to provide support to increase sales of PEANUTS

 **106** ACTIVITIES

PHILANTHROPY
concern for others demonstrated by Peanut Butter DONATIONS

 **62** ACTIVITIES

EDUCATION
imparting knowledge of PEANUTS and peanut industry in Florida

 **78** ACTIVITIES

PARTNERSHIPS
joint interest, being a partner with a group/organization

 **658** PARTNERS

The intention was a spin off of a traditional 'corn dig' where kids dig through the pool of peanuts to find treasures. This little guy just needed a rest after a so much walking at the Central Florida Peanut Festival in Williston.

AgriScience students, FFA members, throwing out packs of peanuts in their school homecoming parades.

Suwannee County 4H member, giving Power up Patrol, packs to the security office at North Florida Fair in Tallahassee.

FFA Advisors happy to have packs of peanuts for their National FFA Week celebrations with their chapters.

PERFORMANCE SUMMARY

Marketing Order year 2023-24 saw a budget decrease from the several years prior. Fifteen and a half percent lower than last year, marketing efforts remained on target, despite the contract amount being \$33,667 lower than the year before. Find the report below, percentage by quarter, increase or decrease in numbers.

JULY 2023

American Peanut Research & Education Society Annual Conference, FPF attended July 10th, at the UGA Research Center for the international researchers tour. Researchers discussed peanut topics as they toured the GA research facility.

Gilchrist Co 4H Camp Pilot Program, "All About Peanuts" summer camp was a wonderful success. FPF partnered with UF IFAS Gilchrist County Extension, sponsoring in kind and provided industry tours, recipes, food demonstrations, promotional items, for the camp that included 12 students and 5 adult volunteers. After the camp, the program will be formatted into a kit and provided to county 4H groups throughout the state.

SPOTLIGHT ACHIEVEMENT

Laura Goss with Peanut Researchers from Israel and Argentina, during the APRES annual conference in Georgia, July 2023.

AUGUST 2023

Back to School Weekend Backpack Program Peanut Butter Donations, FPF donated 10 pallets of PB, over 14,000 pounds, to programs that serve school aged children for weekends and extended school breaks.

Levy & Hamilton County On-Farm Researcher Reverse Field Days, a highlight to innovation and commendable way for research staff to get in the field and see the 'real world' problems first hand..

SPOTLIGHT ACHIEVEMENT

Reverse Field Day, Researchers toured Suwannee River Peanut buying point in Jasper, FL, with manager Seth Adams.

SEPTEMBER 2023

In the aftermath of Hurricane Idalia, North Florida agricultural losses were staggering, with initial estimates indicating damages totaling over \$500 million. Crops, equipment, buildings suffered extensive damage due to the storm's high winds and flooding, leading to significant financial setbacks for farmers across the region. The widespread destruction underscored the vulnerability of the agricultural industry to extreme weather events, highlighting the urgent need for resilience and adaptation measures to mitigate future impacts.

SPOTLIGHT ACHIEVEMENT

FPF led efforts to create a Hurricane Recovery Resource Guide for agriculturalists.

Christmas on the Square

OCTOBER 2023

The Central Florida Peanut Festival is held in Williston on the first Saturday of October each year. More than 10,000 visitors attended this year's event. FPF was showcased on WCJB TV-20 News.

Student Peanut Harvest Tour on October 13th. The tour was an all day affair, showcasing the peanut farm process to students from Florida FFA chapters and Agricultural Education programs for multiple counties.

SPOTLIGHT ACHIEVEMENT

Peanut Family Fun Festival at the Peanut Festival in Williston, October 2023.

NOVEMBER 2023

The Fall Harvest Experience, hosted by UF IFAS NFREC-SV, is a three week event that hosts thousands of elementary school students. The 2023, theme was "Water". As peanuts played right into that theme, we showcased peanuts to all of the participating students and sent teachers and school administrators with peanut curriculum, to reach an estimated 10,000 students.

The Florida Gateway Fair, November 1-10, in Lake City, welcomed more than 40,000 visitors. FPF provided an educational booth display, placing second in the booth appeal contest. The education, via visual aids and take aways, reached thousands of consumers as they enjoyed the fair.

SPOTLIGHT ACHIEVEMENT

Extension staff worked with FPF to create a workshop dedicated to showing how friendly peanuts are to water resources in North Florida.

DECEMBER 2023

December 1-18, FPF hosted the annual Christmas Card Coloring Contest. More than 4000 students participated, FPF recognized more than 200 elementary school teachers, providing peanut educational resources and Thank You! drawing for one teacher to win \$250 gift car for classroom supplies.

Christmas on the Square festival, held December 1-3, in Live Oak, FPF hosted a booth, next to Santa, and provided "Santa's Favorite Cookies", Peanut Butter Cookies, of course! Thousands of children told Santa what was on their Christmas list, and the festival drew 60,000+ consumers over the three day festival.

SPOTLIGHT ACHIEVEMENT

Florida FFA Association
March 15

The Florida FFA Association recently selected 25 student members as finalists in the highly coveted "Stars of Florida" award recognition program. This program symbolizes the highest competitive recognition for FFA members and their Supervised Agricultural Experience (SAE) program(s) in seven different categories. Each candidate will be interviewed by a team of FFA, industry and Agriculture Education representatives to determine the winner in each area. Each finalist, their family and agriculture instructor(s) will be recognized at the Fourth General Session of the 96th Florida FFA Convention to be held at the Caribe Royale Resort in Orlando.

EFFECTIVENESS METRICS

In response to this year's budget cuts, Florida Peanut Federation made strategic decisions to maintain continuity in many of our longstanding programs, albeit on a reduced scale.

While some activities showcased comparable effectiveness with limited resources, the majority did not yield the hopeful, anticipated outcomes.

Through rigorous evaluation grounded in our established effectiveness metrics, we have gleaned invaluable insights. These insights will serve as guiding principles for future decision-making, enabling us to prioritize resource allocation more effectively and optimize program performance in alignment with our overall goals.

Stakeholder meeting with Healthy Farms - Healthy Bays program, along with Florida Climate Smart Agriculture.

Sampling of Comparative Activities

July - **Florida 4H University** - Suggest Continuing to Support in Monetary Sponsorship and Providing Refreshments for the Student State Leaders and Volunteer Staff, 2022 Workshop was a huge success, however, may not be worth the additional cost required

August - **Back to School** - Suggest focusing on Peanut Butter donations for Backpack Programs (not included in this comparison), focus on supporting Ag & STEAM teachers Wish Lists, do not know if FPF pencils are an effective promotion

September - **National Peanut Day Harvest Tour** - Community Leadership Tour is eye-opening, suggest hosting this tour on a 2 or 4 year rotation, based on election cycle; Student tour every year, very encouraged by student participation, open to STEM students in the future; half day tour may be more palatable for professionals, yet it takes all day to see the entire industry overview

October - **Breast Cancer Awareness** - Suggest a large social event on a three year rotation, smaller community/school promotions effective as annual activities, girls seem to remember the statistic, as well as mothers and especially BC survivors, a worthwhile endeavor, 2023 promotion would have benefited from month-long, rather than week-long attention

October - **Florida Farm Bureau Annual Conference** - Suggest a larger participation and visible at FFBF conference, booth space is expensive, but necessary; Sponsorship of the headshot station was not enough; consider partnership with FPPA for expo space and demonstrations

Effectiveness Metrics	Detail	Points
OUTPUT METRICS	Assess the immediate results, number of activities, products delivered, services provided, understand volume and scale of program	20
OUTCOME & IMPACT METRICS	Changes or benefits that occur as a result, example: increased knowledge, changes in behavior, improvements in quality of life; Broader, long-term effects of program on target audience, include economics, improved health, reduced stress, etc.	40
PARTICIPANT FEEDBACK & SOCIAL RETURN ON INVESTMENT	Participant satisfaction, perception of program, suggestions for improvement & Social value generated by program in relation to resources invested, impact on society	20
STAKEHOLDER ENGAGEMENT	Engagement and satisfaction level of stakeholders, positive relationships	10
FUTURE SUSTAINABILITY	Program's ability to continue impact over time, assessing expenses, support, adaptability	10

Providing Peanut Butter as a part of the war on food insecurity - we recognize and respect the impact:

according to student survey results, children fed through school backpack programs experience these positive results:

78%

feel cared for by their community

71%

feel they are helping their family

60%

exhibit improved behavior

59%

find it easier to learn at school

FUNDING / EXPENSES

Florida Peanut Federation allocated the Marketing Order budget to bring maximum return on the farmers' investments through FDACS administration.

To be a good steward of the dollars entrusted to the Florida Peanut Federation is of utmost importance to the members. The campaigns and promotions, along with research and education that FPF funds, is directly in cooperation with the Marketing Order contract. The responsibility of administration of funds is not taken lightly. That you for the amount budgeted over the past year.

yes!

Return on Investment

WAS OUR TIME AND MONEY INVESTED PROPERLY AS FOR A PROFITABLE RETURN?

yes!

Use of Resources

WERE WE GOOD STEWARDS OF RESOURCES (FINANCES, TIME, STAFF, PRODUCTS)?

yes!

Disappointments

DID WE HANDLE DISAPPOINTMENTS WELL AND MAKE STRATEGIC PIVOTS?

yes!

Culture & Identity

IS OUR GROUP RECOGNIZABLE AND WELL RESPECTED?

yes!

Aubrey Wood, Branford FFA member, presenting at a teacher workshop at National FFA Convention, 2023.

Pastor Tim of Mt Gilliad Church, Dowling Park, Florida, unloading a pallet of peanut butter for their bi-monthly food pantry program.

LOOKING FORWARD

Innovative & Collaborative

1. BUILD ON PAST SUCCESSES
2. FOCUS ON SUSTAINABILITY
3. SUPPORT THE FARMERS
