Bricks4Kidz™ classes build on the popular LEGO® bricks to deliver high-quality educational play. Each hour-long class is an engaging experience for your child with a new project each week. Our unique models aren't the kits you find on the shelves of a toy store. They're designed by Bricks4Kidz™ to teach concepts across a variety of subject areas. We kick things off with a discussion about key concepts related to the model, then get right into the building. Working with a partner, or on their own, your child will experience the hands-on fun of seeing a model come together piece-by-piece, from concept to completion - and it's motorized! Join Bricks 4 Kidz for a 6 week session building Super Heroes with LEGO® Bricks. Explore all the caped crusaders and discover their super powers. Create a fantasy world and protect it against all the evil arch enemies with custom contraptions made with LEGO® Bricks. At the end of the session, all super heroes will go home with a super hero mini figure!
