

Space Adventure At St. Paul's Cluett Hall!

Wednesdays Grades 1-4

January: 16, 23, 30, February: 6, 13, and 27th

Classes are from 4:00-5:00 pm

Location: St. Paul's Cluett Hall

\$135 per child; 1 hour session per week for 6 weeks

Registration is limited to 12 children

Please make checks payable to Bricks 4 Kidz

Bricks4Kidz™ classes build on the popular LEGO® bricks to deliver high-quality educational play. Each hour-long class is an engaging experience for your child with a new project each week. Our unique models aren't the kits you find on the shelves of a toy store. They're designed by Bricks4Kidz™ to teach concepts across a variety of subject areas. We kick things off with a discussion about key concepts related to the model, then get right into the building. Working with a partner, or on their own, your child will experience the hands-on fun of seeing a model come together piece-by-piece, from concept to completion - and it's motorized!

Join us for a Space Adventure! During this 6 week session we will be building models inspired by the NASA space program. This session is packed with models that will make your imagination blast off! At the end of the 6 week session children will go home with a goody bag filled with a LEGO® minifigure.

Child's Name: _____

Child's Grade: _____ Birthdate _____

Address: _____

Phone Number: _____ Email: _____

I certify that my child is in good health and able to participate in the activity listed above. I understand that there are risks associated with participating in these activities and hold harmless the Inc. Village of Garden City, its officers, agents, and employees.
