

Spectacular Sports At St.Paul's Center!

Wednesdays Grades 1-4

March: 13th, 20th, 27th

and April: 3rd, 10th, and 17th

Classes are from 4:00-5:00pm

Location: St.Paul's Center

\$135 per child; 1 hour session per week for 6 weeks

Registration is limited to 12 children

Please make checks payable to Bricks 4 Kidz

Bricks4Kidz™ classes build on the popular LEGO® bricks to deliver high-quality educational play. Each hour-long class is an engaging experience for your child with a new project each week. Our unique models aren't the kits you find on the shelves of a toy store. They're designed by Bricks4Kidz™ to teach concepts across a variety of subject areas. We kick things off with a discussion about key concepts related to the model, then get right into the building. Working with a partner, or on their own, your child will experience the hands-on fun of seeing a model come together piece-by-piece, from concept to completion - and it's motorized! In this session children will make motorized models of a wide variety of sports, including Basketball, Soccer, Gymnastics and Mini-Golf using LEGO® Technic bricks and our own Bricks 4 Kidz design instructions. Learn how to use gears and axles, pulleys and levers to create amazing and fun motorized moving parts as we "get into gear" for spring training.
