Also for those of you have been asking, **we will be starting up the Commander's Draw next week!!** Be safe and hope to see you at the Post soon!

From Legion Riders Chapter 112 President Richard Darkhorse

Hello Everyone...Greetings to All...

It's hard to believe that we are already at the end of April. God willing we can get back to some kind of normal life before the year's end. Even though the covid-19 pandemic has slowed us down it has never stopped us from working hard at moving forward.

I would like to thank **American Legion Post 112** for their continued support and encouragement of the American Legion Riders Chapter 112. There are events that are now being planned out presently and there will be more information at a later date. As a whole, we have appreciated being involved and included in a few Memorial rides and receptions. We are actively visiting other American Legion Rider chapters in a show of support and camaraderie. We have been meeting and building bridges with other Rider chapters.

We'd like to welcome our newest board members; Vice President, John Woods, Sergeant at Arms Jorge Barrera, Secretary Tammy Wallace and our newest members Tom Wallace, Robin Lindsay, Glenn Erickson and Jeff Field. All of the American Legion Riders Chapter 112 are committed to its success and serving the community. I thank you again for your continued support.

May God bless you all,

Richard Darkhorse 

President, American Legion Riders, Chapter 112

From Post 112 Past Commander Jimmy Melton Post 112 Is On The Move!

Greetings to all members of the
Ontario American Legion Post 112 Family.

Our move is continuing along as we are dotting our I's and crossing our T's and things are starting to come together. We are still in the sample taking stages at our present location. They are checking for hazard materials such as lead paint, asbestos in floor tiles, popcorn ceilings and so forth.

I know some of you have noticed the paint markings in the parking lot, this the result that in the past there was a Dry Cleaners not far from the Post and was the practice in the day many of the cleaning fluids and solvents were simply dumped on the ground, hence a possible groundwater contamination. So to date the City/County are having to test soil samples so that they know how to best apply a proper solution. **(These test come at no cost to our Post and are required by the City and County)**

We remain in the planning stage as things progress. As more information becomes available I will keep the information highway open - If I can help with questions you can contact me at the post, or email me at jimmymltn39@gmail.com. I will provide you with the best answer to date.

**Respectfully,
Jimmy Melton
Past Commander/
E Board Member**

From SAL Squadron 112 Commander Clayton Bush

Hello to all,

I hope all is well with everyone and their families.

We will be having our annual Memorial Day BBQ again and we will have hamburgers or hot dogs with side dishes along with the Auxiliary doing their famous desserts and ice cream. I would like to thank all of the volunteers that are going to make the time to come down and help out. This event and others like it help build the relationships between the Legionnaires and the Auxiliary and the Riders and the Sons to keep our Post growing.

The Squadron's next meeting is on May 2nd at 11:00AM and we have some new ideas on different fundraising events that will help improve our ability to help more and more veterans in our community. So come to our meeting and give us your input so we can make the best of our efforts in the upcoming events.

Please if you have not renewed your dues please do so soon.

We look forward to seeing you at our next meeting, so please try and join us May 2nd at 11:00AM.

Clayton Bush

Commander, SAL Ontario Squadron 112
