Hi Everyone! Hope this finds you healthy and raring to go.

I want to thank all of you that have been supporting our Post, whether it has been for our Sunday Breakfast, Wednesday Steak Night, Karaoke, or one of the events put on by the Auxiliary, SALS, or Riders. THANKS!!

As you know, we will be moving to our new location sometime in the future and I hope you will bring your enthusiasm to the new building! See Jimmy Melton's article in this issue of The Dispatch.

Please stay healthy and enjoy the rest of your summer!

### Auxiliary News...

We would like to welcome a couple of new members to our unit. Edith Bays, her deceased husband was in the U.S. Army and Victoria D'Angelo, her father was in the U.S. Air Force.

It was nice to see everyone at our Annual Luau. The Food and Hawaiian Dancers were great. Special thanks to Mark, our Post Cook for preparing the pulled pork and sweet and sour chicken, and to Fernando who coordinated the Hawaiian Music.

Our ladies are now planning a Western Night in October. The date, time and menu will be posted at the legion sometime soon. Plan to attend and wear your boots and cowboy hat!

We are looking for a couple of military families who are in need for the holidays. If you know a local family please contact our ladies auxiliary. We have reached out to the Veterans Assistance League in hope to obtain some families as well.

See you at the Post!

President,  
Auxiliary Unit 112

## *Moving Update From Post 112 Past Commander*

*Jimmy Melton*

Greetings to all members of Ontario American Legion Post 112 Family.

We are moving along, things are starting to come together. At our present location they (the City and Developers) have completed more of the required hazmat sampling, which is required so they know what they will be dealing with when it comes time for construction to begin.

At our new location the interior demo process has begun with one of two bids has been returned. When the second bid comes in next week, the project will be awarded and it should take about ten (10) days to complete.

The Architect and MEP principal at TREK Engineering drafts the plans (3-week turnaround) which are then submitted to the city and then sent out to bid. With that we are continuing with other administrative requirements.

As more information becomes available I will keep the information highway open. If I can help with questions you can contact me at the post, or email me at [jimmymltn39@gmail.com](mailto:jimmymltn39@gmail.com). I will provide you with the best answer to date.

Respectfully,  
Jimmy Melton,  
Past Commander/ E Board Member

# *From SAL Squadron 112 Commander Clayton Bush*

Hello to all,

We had our annual Independence Day BBQ on Saturday, July 3rd with the Auxiliary doing their famous desserts, root beer floats and ice cream, and the Legion Riders cooking up the corn. I think all who attended had a great time listening to "Blue HWY" and enjoying the fantastic food. I would like to thank all the volunteers that had made the time to come down and helped, job **well done!** This event and others like it help build the relationships between the Legionnaires, the Auxiliary, the Legion Riders, and the SALS to keep our Post growing.

I would like to thank two of the sons that helped with our turn doing the 50/50 ticket sells on steak night. Tracy and Ed were at the asked last minute to sell the tickets and without hesitation they stepped up and got the job done with style!

The Squadron's next meeting is on September 5th at 11:00 am, and we have some new ideas on different fundraising events that will help improve our ability to help more and more veterans in our community. We will continue having updates on the move of the Post. So come to our meeting and give us your input so we can make the best of our efforts in the upcoming events.

We have Veterans Day on Thursday November 11th, and we are looking into possible new menu ideas for a great dinner with the meal being prepared by maybe someone new to our cooking staff and/or some of our "go to" members. If you can help us out for this event, please contact myself or any of our squadron's officers.

We will be discussing these events and other matters at our next meeting, so please try and join us September 5th at 11:00AM.

**In service to our Veterans,**

**Clayton Bush  
Commander,  
SAL Squadron 112**
