- A) Rejection. If an applicant is rejected, the entire \$50 application fee and \$200 tuition down payment will be refunded.
- B) Three-day Cancellation. An applicant who provides written notice of cancellation within three days (excluding Saturday, Sunday and federal and state holidays) of signing an enrollment agreement is entitled to a refund of all monies paid. No later than 30 days of receiving the notice of cancellation, the school shall provide the 100% refund.
- C) Other Cancellation. An applicant requesting cancellation more than three days after signing an Enrollment Agreement and making an initial payment, but prior to entering the school, is entitled to a refund of all monies paid, less the application fee (\$50). Cancellation and refund request must be requested in writing.
- D) Termination in First Week. If the student terminates during the first week of studies, following the three-day cancellation period, the refund will be made based on a straight hour attended pro-rata basis. The amount for the first week is not to exceed \$350.00.

F) Termination or Withdrawal Beyond First Week. If the student withdraws or is dismissed beyond the first week of studies the refund will be made on a pro-rata basis, according to the course hours completed. This refund shall apply to the first 60% (528 hrs) of the student's attendance. The refund shall be paid to the student, less any unpaid charges owed by the student for the period of enrollment for which the student has been charged. A student who attends more than 60% of the course will not be eligible for a refund. Roberto-Venn's refund policy is the same as the Federal Return of Title IV Funds Policy.

CALCULATION OF A REFUND (FOR TUITION)

The refund calculation applies to the first 60% (528 hrs) of the course. A student attending 529 hrs or more will not be eligible for a refund. Take the remaining number of hours to be completed (If 352 hrs or more, calculated from the last day of attendance) and divide this number by the total number of clock hours comprising the period of enrollment (Guitar Making and Repair Course - 880 hours). Multiply by the contract tuition amount (Guitar Making and Repair Course - \$10,450). This amount represents the refund amount, less any unpaid charges owed by the student for the period of enrollment.

RETURN OF TITLE IV FUNDS POLICY:

The federal formula requires a return of any unearned Title IV aid if the student received federal financial assistance in the form of a Pell Grant, Federal Subsidized Stafford Loan, Federal Unsubsidized Stafford Loan, or Federal PLUS loan and withdrew on or before completing 60% (528 hrs) of the total clock hours. The percentage of Title IV aid to be returned is equal to the number of clock hours remaining in the course divided by the number of total clock hours in the course. Excused absences do not count as completed hours. **IMPORTANT NOTICE TO ALL FEDERAL FINANCIAL AID RECIPIENTS** Federal Financial Aid regulations have defined that a student who withdraws or stops attending prior to completing 60% (528 hrs) of the entire course (880 hrs) has not earned 100% of the federal financial aid that was received. That student may be required to return a portion of his or her federal aid.

APPLICATION OF REFUND POLICY

Any refunds due the applicant shall be made within thirty days from cancellation or failure to appear on or before the first day of class. Any refunds due the student shall be made within thirty (30) days from the last date of student attendance. If the student does not return following a Leave of Absence period (not to exceed 60 calendar days), refunds will be made within (30) thirty calendar days from the end of the Leave of Absence.

CERTIFICATION:

Upon successful completion of the course, the student will receive a "Luthier Certificate" of graduation from the school. The certificate will designate graduation from the (5 month) 880 clock hour guitar building and repair program.
