

b.young

A woman with long, wavy blonde hair is the central figure. She is wearing a light pink or beige blazer over a white button-down shirt. A large, dark, multi-petaled flower brooch is pinned to her left lapel. She is looking directly at the camera with a neutral expression. The background is a light-colored wall with architectural details like a window frame.

B.YOUNG IS A FEELING

Being young isn't just a number:
it's a state of mind.

Having optimism, energy and enthusiasm
in spite of age. It's a powerful driving
force. As personality, emotions and style
evolve throughout life, you discover who
you truly are as a woman. We are all
unique – and what sets us apart is what
makes us beautiful.

b.young celebrates the uniqueness of
women. Our collective strength lies in
our individuality. As a fashion brand
for women of all ages, cultures and
religions and from all walks of life,
b.young is about finding your own style
path. Fashion is what you buy, style is
how you wear it – and b.young is about
the freedom to be exactly who you are.

b.young – b.you
