If you're looking for excellent service and quick response time, then KDW Heating Services is the business for you! We had them come out to repair our air conditioning and they were able to fix it up quickly and efficiently.

The Darlene and Ken are professional and friendly, and I would definitely recommend their services to anyone. Thanks, KDW Heating Services, for making our summer a lot more bearable!

Was having problems with my gas fireplace. One local company in Chilliwack said they couldn't get parts so I need a new fireplace...my daughter in law recommended KDW Heating. Had them come and have a look at it. Within an hour Ken had it working. How good is that..do yourself a favour and just have KDW Plumbing have the first go at it.

Thanks Ken..you made our day.
