Dear brothers and sisters in Christ,

During the season of Lent, we are asked to focus more on the works of penance. If we are worried about not being able to do those works then we are focusing too much on what we can do alone instead of what we can do with Jesus Christ. Doing things with Jesus is an act of faith that we choose. So if, for example, I give up sweets for lent. If I do it with Christ then I perform two actions with every no to sweets. The first action is to choose to say no with Christ. The second action is to say no.

Also, we remember that idleness is the devil's playground. After we say no with Christ, then we focus on doing something constructive according to our abilities and responsibilities to keep our focus off of sweets. Apply this to any penance that you do with Jesus.

In the hearts of JMJ,

Fr Comeaux
