

Customer Supplied Garment Waiver

At Flibbityjiblets, LLC (FJ) we primarily work on garments and items we obtain from our suppliers. We use clothing and items in our embroidery and DTG, DTF and heat-pressing that have been tested and proven to provide quality outcomes. Embroidery machines can be fickle at times and sometimes eat (destroy) garments. Heat can damage garments not made for the process. Very rarely during the decoration process, a garment or item will be damaged.

If we have supplied the garment or item, we have calculated a margin of error in the cost and will replace it. We cannot replace garments or items we have not sold or provided. If you supply the garment or item and there is a problem, we do not replace your item. Your damaged piece will be returned to you as is. Problems do not arise often, but the customer must be aware and agree to the possibility.

By signing this waiver, the customer releases FJ of all responsibility in the instance of damaged or unexpected results to the customer's supplied garment or item to be decorated.
