Living the Gospel in Our Community

4th January—EPIPHANY

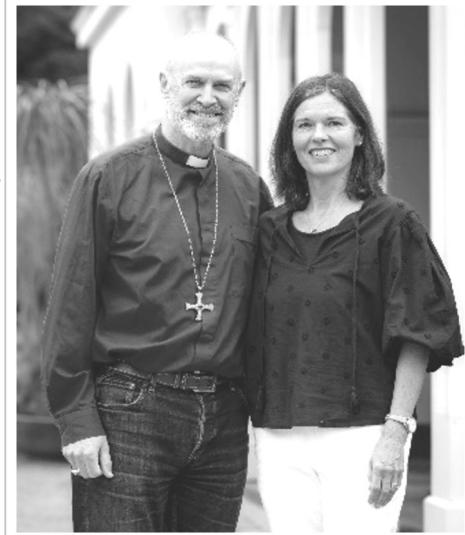

ARCHBISHOP'S CHRISTMAS MESSAGE

"The light shines in the darkness, and the darkness has not overcome it." (John 1:5)

These words from the prologue of John's gospel, John 1v5, are read out in Christmas services all round the world. They describe the life of Jesus Christ as a light for every person in the world. This year, these words are especially powerful. Our world has felt the weight of darkness in recent weeks. The tragic shootings in Bondi shocked our nation and reminded us of the brokenness of our world. Yet even in such moments, we have seen glimpses of light: the acts of courage, the outpouring of grief and solidarity, communities standing together, and faith leaders joining with the Premier here in Melbourne to affirm hope and peace.

One of those signs of light for me personally was the privilege of attending a pre-planned Hanukkah celebration with our Jewish friends and other faith leaders just two days after the violence. Hanukkah is a festival of light, commemorating an enduring and miraculous provision of oil for the Jerusalem Temple's Menorah candle in the second century BC. That oil lasted eight days. Enduring light is powerful to reflect on in times of darkness and sorrow, and it reminds us, especially when people come together in common humanity, that light is stronger than darkness.

As I began my new role as Anglican Archbishop of Melbourne at the beginning of Advent, my first act, emerging from my installation at the Cathedral, was to invite our clergy and the visiting bishops to pray for Melbourne and Geelong. God calls his people to seek the peace and

For thousands of refugee children in northern Uganda, hunger is now a daily reality. Earlier this year, severe funding cuts removed nearly all food assistance from many refugee settlements. Families who escaped war and violence, are now struggling to survive each day. That's why MAF's ability to fly partners, like Kids Around the World (KATW), directly into these remote areas is so critical.

Vicky, a 63-year-old refugee, cares for four grandchildren on her own. Her husband is gone, her son abandoned the family, and due to complications from diabetes, she had her arm amputated. When food aid was removed, she couldn't feed her family.

"The children were crying because there was no food to eat," she said.

Now, KATW teams fly with MAF to Adjumani* to distribute life-saving food packs to more than a thousand children. Each pack contains rice, lentils, vegetables and vitamins - simple ingredients that prevent malnutrition and restore strength.

KATW also installs play areas in refugee camps, giving children a place to heal emotionally after trauma. As their team leader shared:

"Play is therapeutic... especially for children with troubled backgrounds."

MAF flights make this work possible. Your gift keeps MAF flights reaching remote refugee settlements, so partners like KATW can bring life-saving food, hope and practical care to the children who need it most.

prosperity of the place where God has set us, and so we prayed, with our hands stretched out in different directions, for God's blessing, for hope, and for the light of Christ to shine in every street, home, and heart across Melbourne and Geelong and beyond.

The greatest light of all is Jesus Christ, whose birth we celebrate at Christmas. He is the Light of the World. His light brings forgiveness, peace, and transforming life to all who trust in Him - a hope that no tragedy, no darkness, can ever extinguish. This is the good news we proclaim: that God has come near in Jesus, offering forgiveness from the past, new life today, and a hope for the future filled with His transforming love.

Louie and I have been warmly welcomed to Melbourne and Geelong, and we are deeply thankful. We look forward to journeying with you as we carry Christ's light and make him known in this city and beyond.

May the light of Christ shine in your hearts and homes this Christmas and always.

+ Ric Melbourne
