1 Corinthians 12:12-31

Luke 4:14-21

Last Sunday I talked about the kingdom of God as enabling a world we enjoy and think is good a better world. Likewise, it is right we think about how we can make a good church a better church. Being a healthy church is important for our work of evangelism. Healthy organisms grow, and healthy churches grow. There are seven marks of a healthy church that reflect Jesus' life and ministry. I want to do a sermon series on the seven marks for a healthy church and I offer this survey for you to think about how we see our church. Please return this anonymous survey through the offertory plate.
