# Take FLIGHT with AVi

Hosted and Sponsored by

**ATLANTIC**

At Wilmington Airport (ILG)

Saturday, September 27  
11am-4pm

## How To Get Involved!

### Exhibit and Showcase

Each exhibitor is encouraged not only to showcase their company and operations but also to collaborate with their team to design an engaging STEAM or aviation-related activity to keep attendees actively involved throughout the event.

We recommend bringing at least two representatives to staff your booth, along with enough giveaways or goodies for approximately 500 youth attendees.

### Ideas and Suggestions

Get creative! Here are just a few examples of fun and engaging aviation and STEAM-related activities that spark curiosity and inspire young minds:

- Build a mini airplane or rocket
- Fit and test parachutes
- Showcase drones
- Disassemble and explore an engine
- Use sectional charts and practice navigation
- Try out flight simulators and real control panels
- Examine a real or model rocket
- Solve aviation-themed math and science challenges
- Dive into emerging technologies
- Demonstrate how eVTOL aircraft work

**Anything educational, aviation-related, and hands-on is fair game—we encourage interactive experiences that make learning unforgettable!**

## How To Get Involved!

### Silent Auction

Support the future of STEAM and aviation by donating a silent auction package that will help us raise essential funds for our scholarship programs. Your contribution directly empowers the next generation of innovators and industry leaders. Our silent auction typically raises \$3,000–\$5,000, and with your help, we can aim even higher this year!

### Static Display

**We're More Than Just an Aircraft Display — We're a Full-On Aerial & Ground Experience!**

With nearly 140,000 square feet of ramp space, we're ready to showcase an incredible range of aviation and STEAM-related innovations. Whether it's aircraft, rotorcraft, hot air balloons, drones, experimental vehicles, or other cutting-edge technology, if it flies, drives, hovers, or inspires — we want it on display!

### Ideas and Suggestions

Aircraft models, vacation or short-stays packages, special family portrait packages, sporting event packages, catering packages, restaurant gift baskets, spa gifts/packages, discovery flights/simulator sessions, Part 107 training, other aviation and STEAM course instruction and experiences, etc.

### Notice to Aircraft

We're thrilled to share that Atlantic Aviation has graciously stepped up to support our event by offering fuel discounts and waiving ground handling fees for all participating aircraft. It's just one more reason to bring your aircraft to the display — and be part of something truly special.

**Have a unique idea or project that pushes the boundaries of science, engineering, or aviation? Let's make it part of the show.**

## Become A Partner!

### EXPLORER Partner Level \$500-\$999

***As an EXPLORER Partner, You Fuel the Spirit of Discovery***

By becoming an EXPLORER Partner, you help break down barriers and unlock endless possibilities in the future of aviation. With exploration at their core, young people are boldly stepping into career paths as pilots, aerospace engineers, air traffic controllers, aviation managers, and more.

Empowered by cutting-edge technology and inspired by innovation, today's youth are pushing boundaries, sparking progress, and shaping the future of this ever-evolving industry. Your support makes their journey possible — and their impact limitless.

### How You Benefit

- Custom Take FLIGHT with AVi Flight Patch – A unique keepsake symbolizing your support of future aviators and STEAM professionals.
- Social Media Recognition – Shoutouts and appreciation across our platforms, highlighting your partnership.
- Event Signage Recognition – Your name/logo featured across event signage.
- Program Acknowledgment – Recognition in the official event program, seen by attendees, participants, and community leaders.

### Want to Support in a Different Way?

If you'd like to make a gift outside of the listed partner levels, we absolutely welcome your support and would be happy to work with you on the details. Every contribution helps make this event soar — and we're grateful for your generosity.

## Become A Partner!

### STEAM Partner Level \$1,000-\$2,499

**As a STEAM Partner, You're Powering the Workforce of the Future. "Full STEAM Ahead!"**

By becoming a STEAM Partner, you're helping build a bold, imaginative future across Science, Technology, the Arts, Engineering, and Mathematics.

Our expo is all about hands-on, high-impact experiences designed to spark curiosity, ignite creativity, and leave a lasting "wow" impression on young minds. Your support brings engaging, interactive STEAM activities to life — helping prepare the next generation to lead, innovate, and dream big.

### How You Benefit

Includes all Explorer-level benefits, plus:

- Logo on Partner Signage – Featured prominently at the event.
- Logo on Event Website – Showcasing your support to a wide audience.
- Exclusive AVi Challenge Coin – A special token of appreciation for your commitment to inspiring future innovators.

## Become A Partner!

### FLIGHT CREW Partner Level \$2,500-\$4,999

#### You Are the AVi FLIGHT CREW!

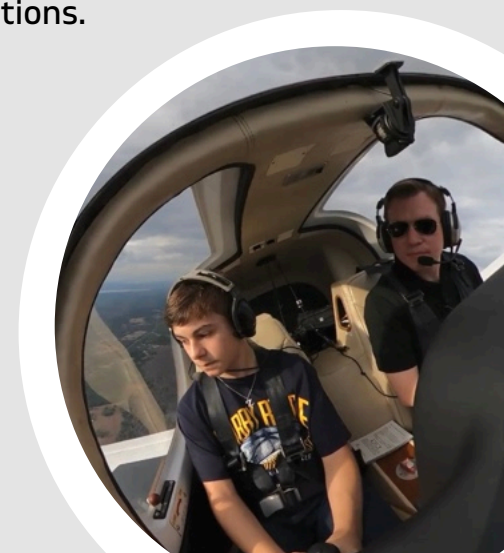

Just like successful aircraft operations depend on the seamless coordination and collaboration of every crew member, our event thrives through the power of teamwork.

Many of our Take FLIGHT attendees have big dreams, and with your support, we can help turn those dreams into reality. By modeling the strength of a united crew, we foster an environment where youth learn to rely on one another, offer support, and grow together. Instilling these core values of teamwork and collaboration is essential—not just for aviation, but for preparing a strong, connected, and capable workforce of tomorrow.

### How You Benefit

Includes all STEAM-level benefits, plus:

- Prominent Logo Placement – Featured in the official event program and on the event website.
- Partner Recognition Video – A short, professionally produced clip spotlighting your organization and support.
- Special Sponsor Session – Opportunity to engage directly with attendees during a featured session.
- Top Partner Recognition – Public acknowledgment as a premier partner across all media, PR, and official communications.

## Become A Partner!

### MISSION CONTROL Partner Level \$5,000-\$9,999

**NASA's Mission Control is a powerful symbol of what can be achieved through collaboration, coordination, and unwavering commitment to a shared mission. It represents the critical roles that come together to guide and support each mission's success.**

As a MISSION CONTROL Partner, you are at the heart of our mission — teaming up as a lead partner to inspire, support, and help launch the future of youth in STEAM and aviation.

Your leadership and vision play a vital role in driving the next generation forward — empowering young people to explore bold career paths, embrace innovation, and shape the future of these dynamic industries.

### How You Benefit

Includes all FLIGHT CREW-level benefits, plus:

- Top Billing Recognition – Your logo prominently displayed as a lead/title partner across all major event signage and branding.
- Title Mention Across Media – Recognized as the “Title Event Partner” in all public mentions, including print, digital, press releases, and promotional materials.
- Final Event Video Feature – Top recognition in our professionally produced event wrap-up video.
- Take FLIGHT with AVi Crew Gear – A package of four event shirts for your team to wear proudly.
- Two AVi Challenge Coins – Limited-edition tokens of appreciation for your extraordinary support.
- Scholarship Impact Recognition – Special acknowledgment of the scholarships made possible by your partnership during the event.

## Become A Partner!

### LIMITLESS Partner Level \$10,000 +

**Their possibilities are truly LIMITLESS.**

When it comes to our next generation, the sky is not the limit — it's merely the beginning. As a LIMITLESS Partner, your organization helps unlock expansive opportunities for the future generation to excel in aviation and STEAM careers.

With your support, we're building a future where access to the industry is wide open, curiosity leads the way, and innovation knows no bounds. Together, we move closer to a world where young minds are free to explore the unknown and where the impossible becomes possible.

### How You Benefit

Includes all MISSION CONTROL-level benefits, plus:

- Exclusive Top Partner Recognition – Identified as the premier partner across all event graphics, media, and communications.
- Expanded Presence – Receive a larger table and/or static display space to showcase your organization front and center.
- Top Billing Logo Placement – Your logo will be prominently displayed at the top tier of event signage and the event website.
- Premier Video Feature – Top partner recognition in the final, professionally produced event video.
- High-Visibility Media Mentions – Referred to as the Top Event Partner in all public print and digital outlets.
- Featured Event Banner – Your custom banner displayed on the terrace overlooking the event, ensuring standout visibility.
- Crew Apparel Package – Includes eight official event shirts for your team.
- Four AVi Challenge Coins
- Named Scholarship Recognition – Special recognition through scholarships made possible by your support, with the option to name a scholarship through a dedicated portion of your sponsorship (\$1,500).
