MOUNTING DECKS FOR HEA (IPN) BEAM

Small mounting deck for hose reels DSF - DPF - DRF - DMF

T2

	Includes	Compatible with	Weight (max. lb)	Part number	\$/ea.	Pack.
	- 1 mounting deck PLA 450N - 2 anchors - screws and nuts kit - 420 mm free track	Mounting deck for fastening hose reels: DSF - DMF - DRF - DPF	88	PLA 450	59.43	1

Mounting deck for hose reels DMO - DGO - DVO - DGF - DSF - DPF - DRF - DMF

T2

	Includes	Compatible with	Weight (max. lb)	Part number	\$/ea.	Pack.
	- 1 mounting deck PLA 2000N - 4 anchors - screws and nuts kit - 1 rubber bush	Mounting deck for fastening hose reels: DMO - DGO - DVO - DGF - DSF - DPF - DRF - DMF	220	PLA 2000	123.80	1

Mounting deck for wall brackets prevoS1, ALTO air treatment units, accessories

T2

	Includes	Compatible with	Weight (max. lb)	Part number	\$/ea.	Pack.
	- 1 mounting deck PLA 1000N - 4 anchors - 1 screws and nuts kit	Mounting deck for fastening: - prevoS1 wall brackets - ALTO air treatment units - Accessories	220	PLA 1000	99.06	1

Small mounting deck for prevoS1, ALTO air treatment unit, accessories

T2

	Includes	Compatible with	Weight (max. lb)	Part number	\$/ea.	Pack.
	- 1 mounting deck PLA 225N - 2 anchors - screws and nuts kit - 420 mm free track	Mounting deck for: - Wall brackets - Air treatment units - Universal bracket	88	PLA 225	49.53	1

MOUNTING DECKS FOR DIRECT WALL FASTENING

Non-equipped mounting deck for hose reels DMO - DGO - DVO - DGF - DPF - DRF - DMF

T2

	Description	Weight (max. lb)	Part number	\$/ea.	Pack.
	Mounting deck for fastening hose reels: DMO - DGO - DVO - DGF - DSF - DPF - DRF - DMF	220	PLA 2000N	99.06	1

Small non-equipped mounting deck for fastening: DSF - DPF - DRF - DMF hose reels

T2

	Description	Weight (max. lb)	Part number	\$/ea.	Pack.
	Mounting deck for fastening hose reels: DSF - DMF - DRF - DPF	88	PLA 450N	39.61	1

Non-equipped mounting deck for prevoS1 wall fittings, ALTO air treatment units, accessories

T2

	Description	Weight (max. lbs.)	Part number	\$/ea.	Pack.
	Mounting deck for fastening: - prevoS1 wall brackets - ALTO air treatment units - Accessories	435	PLA 1000N	74.29	1

Small non-equipped mounting deck for prevoS1 wall fittings, ALTO air treatment units, accessories

T2

	Description	Weight (max. lb)	Part number	\$/ea.	Pack.
	Mounting deck for fastening: - prevoS1 Wall brackets - Universal bracket - ALTO air treatment units	88	PLA 225N	32.20	1

MOUNTING DECK ACCESSORIES

Universal bracket

T2

	Description	Part number	\$/ea.	Pack.
	Universal bracket for: - bolt holder - hose holder - tool holder	PLA FIX	14.85	1

Hose holder

T2

	Includes	Part number	\$/ea.	Pack.
	Hose holder supplied with: - 1 hook for spray gun - 1 kit of screws and nuts - 2 rubber wedges	PLA HR	74.29	1

Bolt holder

T2

	Includes	Part number	\$/ea.	Pack.
	Bolt holder supplied with: - 1 box - 1 bracket - 1 screws and nuts kit	PLA BB	41.12	1

Tool holder

T2

	Includes	Part number	\$/ea.	Pack.
	Tool holder kit: - 1 mounting bracket - 1 tool holder shell - 1 kit of screws and nuts	PLA TH	49.03	1

Suspension hook

T2

	Includes	Part number	\$/ea.	Pack.
	Suspension hook supplied with M6×14 mm screws and M6 nuts	PLA K	2.48	1

SPARE PARTS FOR MOUNTING DECKS

Grating for anchoring to HEA beam

T2

	Includes	Part number	\$/ea.	Pack.
	Steel anchors system supplied with: - 1 anchor - 1 M10 screw - L = 50 mm - 1 M10 nut	PLA CR	6.19	1

Kit of screws and nuts for panel mounting

T2

	Includes	Part number	\$/ea.	Pack.
	Kit comprising: - 4 M10×20 screws - 2 M10 nuts - 2 captive M10 nuts	PLA VEGM	1.47	1
	Kit comprising: - 2 M8×20 mm screws - 1 M8 nut - 1 captive M8 nut	PLA VEPM	4.95	1
	Kit comprising: - 12 M6×20 mm rectangular head screws - 12 M6 nuts for mounting an accessory, a wall fitting and an ALTO assembly	PLA VEAFF	5.94	1
	Kit of screws and nuts: - 4 M6×20 mm screws - 4 M6 nuts	PLA VEWFF	3.97	1

Side rail for mounting small plates on HEA beams

T2

Description	Function	Part number	\$/ea.	Pack.
420 mm side rail	Mounting PLA 450 and PLA 225 panels on HEA beams	PLA RA	10.90	1

Wedge block

T2

Includes	Part number	\$/ea.	Pack.
Rubber block diam. 25 mm Supplied with: - 1 M4×25 screw - 1 M4 nut	PLA TC	4.95	1

Hook for hose holder

T2

Description	Part number	\$/ea.	Pack.
Hook for hose holder	PLA HRK	1.99	1

BLOW GUN KITS

Blow gun pack with 27202 OSHA and standard quick coupling

T1

	Includes	Part number	\$/ea.	Pack.
	Blow Gun 27202 OSHA Plug URP 066251 Coupler URC 061201	KB 22U	39.50	1
	Blow Gun 27202 OSHA Plug IRP 066251 Coupler IRC 061201	KB 22I	39.50	1
	Blow Gun 27202 OSHA Plug ERP 076251 Coupler ERC 071201	KB 22E	40.95	1
	Blow Gun 27202 OSHA Plug ARP 066251 Coupler ARC 061201	KB 22A	41.99	1
Complies with OSHA requirements				

OSHA

Polyurethane OSHA blower kit

T1

	Includes	Part number	\$/ea.	Pack.
	Blow Gun 27202 OSHA Spiral hose PUS 252 6.5	KBSH 322	26.75	1
	Blow Gun 27202 OSHA Spiral hose PUS 254 13'	KBSH 324	31.57	1
Complies with OSHA requirements				

OSHA

Blow gun pack with coiled hose and standard quick coupler

T1

		Part number	\$/ea.	Pack.
	Includes: Blow Gun 27202 OSHA Plug URP 066251 Coupler URC 061201 Length: 6.5' max. (ft)	KBSH 32U	51.74	1
	Includes: Blow Gun 27202 OSHA Plug IRP 066251 Coupler IRC 061201 Length: 6.5' max. (ft)	KBSH 32I	51.74	1
	Includes: Blow Gun 27202 OSHA Plug ERP 076251 Coupler ERC 071201 Length: 6.5' max. (ft)	KBSH 32E	53.13	1
	Includes: Blow Gun 27202 OSHA Plug ARP 066251 Coupler ARC 061201 Length: 6.5' max. (ft)	KBSH 32A	54.13	1
with 1 recoil PUS 252 - 6.5 Spiral Hose				

OSHA

"ASPIVENT" VACUUM CLEANERS

"ASPIVENT" Aluminum vacuum cleaner kit

T2

	NEW	Inlet NPT female thread	Max operating pressure (psi)	Air consumption (cfm)	Part number	\$/ea.	Pack.
		1/4" FNPT	90	14.8	ASVM 1T	82.12	1
- Air-operated vacuum gun - Air hose Ø 11.8 in – length 49 in - Cloth dust bag - Extension wand length 2.6 in - Crevice tool - Brush nozzle - Nozzle for difficult-to-access areas - 2 x clamps							

Accessories

T2

	NEW	Description	Part number	\$/ea.	Pack.
		ASVM1 accessories	ASVM KIT	63.41	1
- Air hose Ø 11.8 in – length 49 in - Cloth dust bag - Extension wand length 2.6 in - Crevice tool - Brush nozzle - Nozzle for difficult-to-access areas - 2 x clamps					

General Sales Terms at the end of this document

"ASPIVENT" VACUUM CLEANER KIT

Dust bag kit

T2

NEW	Includes	Part number	\$/ea.	Pack.
	- 1 cloth dust bag - 1 clamp	ASVM 301	10.06	1

Nozzle kit

T2

NEW	Includes	Part number	\$/ea.	Pack.
	- 1 round nozzle - 1 flat nozzle - 1 brush nozzle - 1 tiny nozzle	ASVM 302	11.86	1

Hose kit

T2

NEW	Includes	Part number	\$/ea.	Pack.
	- 1 clamp - 1 air hose	ASVM 303	11.22	1

WATER SPRAY NOZZLES

Brass Heavy Duty Industrial Spray Nozzle

T2

	Part number	\$/ea.	Pack.
	PL JET	103.40	1
BSPP female thread: 1/2" FBSP Flow rate: 2.12 at 290 psi 1.52 at 145 psi CFM Max operating pressure: 350 psi Construction: Brass wash gun with polyamide coating			

Stainless steel Heavy Duty Industrial Spray Nozzle

T2

	Part number	\$/ea.	Pack.
	PL JETI	301.60	1
BSPP female thread: 1/2" FBSP Flow rate: 2.12 at 290 psi 1.52 at 145 psi CFM Max operating pressure: 350 PSI Construction: 316 stainless steel wash gun with EDPM rubber coating			

MULTI-PURPOSE WASH GUNS

Wash gun

T2

	Part number	\$/ea.	Pack.
	PM JET	83.02	1
BSPP female thread: Inlet: Swivel 1/2" FBSP Flow rate: 1.76 at 174 psi (cfm) Max operating pressure: 175 psi Temperature: 120 max (°F) Weight: 0.97 lbs			

Stainless steel wash gun

T2

	Part number	\$/ea.	Pack.
	PM JETI	112.20	1
BSPP female thread: Inlet: Swivel 1/2" FBSP Flow rate: 1.76 at 174 psi (cfm) Max operating pressure: 175 psi Temperature: 175 max (°F) Construction: Polyamide and Stainless steel adjustable spray wash gun Weight: 0.97 lbs

Filtration & treatment (compressed air)

ALTO Compressed air treatment units.....	115 - 124
Air treatment units on gantry.....	125
Gauges	126
MICRO AIR Sub-micron filters.....	126 - 129
Automatic and mechanical drain valves.....	129 - 130
SPC cyclonic water separator	130 - 131

ALTO 1 - 1/4" FNPT AIR PREPARATION UNITS

ALTO 1 - 3-piece-set - 1/4" Filter-Regulator-Lubricator (gauge included) with wall bracket

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	17.65	25	TT SM201	100.40	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi					

ALTO 1 - 1/4" FNPT AIR PREPARATION UNITS

ALTO 1 - 2-piece-set - 1/4" Filter-Regulator-Lubricator (gauge included) with wall bracket, diverter block and pipe adapters

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	17.65	25	TB SME201	123.00	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi 4 outlets for non-lubricated air					

ALTO 1 - 3-piece-set - 1/4" Filter-Regulator-Lubricator (gauge included) with wall bracket and pipe adapters

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	17.65	25	TT PSM201	108.30	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi					

ALTO 1 - 2-piece-set - 1/4" Microfilter assembly with Regulator (gauge included) and wall bracket

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	8.83	5 and 0.01	TB CSM201	134.70	1
Combination fitted with dual-stage filtration for application without oil Equipped with a pressure gauge (glass dial): 0 to 145 psi Max operating pressure: 174 psi					

PAINTING

ALTO 1 - 2-piece-set - 1/4" Filter-Regulator-Lubricator (gauge included) with wall bracket

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	17.65	25	TB SM201	69.61	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi					

Filter-Regulator (gauge included) with wall bracket

T1

NPT female thread	Flow rate (Cfm at 100 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	19.43	25	TM SM201	45.10	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi					

ALTO 1 - 2-piece-set - 1/4" Filter-Regulator-Lubricator (gauge included) with wall bracket and pipe adapters

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	17.65	25	TB PSM201	82.26	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi					

ALTO 1 - 1/4" Filter-Regulator (gauge included) with wall bracket and pipe adapters

T1

NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=14$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.
1/4" FNPT	19.43	25	TM PSM201	55.01	1
Equipped with a pressure gauge: 0 to 145 psi Max operating pressure: 174 psi					

ALTO 1 - 1/4" FNPT MODULES

ALTO 1 - 1/4" Filter and micro filter

T1

	NPT female thread	Flow rate (Cfm at 87 psi $\Delta p=4$ psi)	Filtration (μm)	Part number	\$/ea.	Pack.

AIR TREATMENT UNITS ON GANTRY

Combination Filter-Regulator-Lubricator TB SME203 with diverter block, on gantry

T1

	Part number	\$/ea.	Pack.
Interchange: Industrial 1/4" Inlet 1 plug: IRP 06 Filtration: 25 µm Outlet: 3 couplings: 2 x ISI 06 1 x ISI 06 (non lubricated outlet)	PTE IS	406.30	1
Interchange: Industrial 3/8" Inlet 1 plug: IRP 08 Filtration: 25 µm Outlet: 3 couplings: 2 x ISI 08 1 x ISI 08 (non lubricated outlet)	PTE IS8	446.20	1
Interchange: Automotive 1/4" Inlet 1 plug: URP 06 Filtration: 25 µm Outlet: 3 couplings: 2 x USI 06 1 x USI 06 (non lubricated outlet)	PTE US	409.50	1
Interchange: ISO 6150 B 3/8" Inlet 1 plug: IRP 08 Filtration: 25 µm Outlet: 3 couplings: 2 x ISI 06 1 x ISI 06 (non lubricated outlet)	PTE US8	449.40	1
Interchange: High Flow 3/8" Inlet 1 plug: ERP 07 Filtration: 25 µm Outlet: 3 couplings: 2 x ESI 07 1 x ESI 07 (non lubricated outlet)	PTE ES	396.00	1
Equipped with a pressure gauge: 0-145 psi Inlet pressure: 174 psi Outlet pressure: 7 - 145 psi			

Combination Micro filter - Regulator TB CSME203 (gauge included), on gantry

T1

	Part number	\$/ea.	Pack.
Interchange: Industrial 1/4" Inlet 1 plug: IRP 06 Filtration: 5 and 0.01 µm Outlet: 2 couplings: ISI 06	PTC IS	383.50	1
Interchange: Automotive 3/8" Inlet 1 plug: IRP 08 Filtration: 5 and 0.01 µm Outlet: 2 couplings: ISI 08	PTC IS8	410.00	1
Interchange: Automotive 1/4" Inlet 1 plug: URP 06 Filtration: 5 and 0.01 µm Outlet: 2 couplings: USI 06	PTC US	394.70	1
Interchange: Industrial 1/4" Inlet 1 plug: IRP 08 Filtration: 5 and 0.01 µm Outlet: 2 couplings: ISI 08	PTC US8	421.30	1
Interchange: High Flow 3/8" Inlet 1 plug: ERP 07 Filtration: 5 and 0.01 µm Outlet: 2 couplings: ESI 07	PTC ES	379.70	1
Interchange: ARO 210 1/4" Inlet 1 plug: ARP 06 Filtration: 5 and 0.01 µm Outlet: 2 couplings: ASI 06	PTC AS	379.70	1
Equipped with a solvent: 0-145 psi resistant glass gauge Inlet pressure: 174 psi Outlet pressure: 7-145 psi			

PAINTING

AIR TREATMENT UNITS ON GANTRY

Filter-Regulator-Lubricator ALTO 4 with a non-lubricated outlet on a gantry

T1

	Part number	\$/ea.	Pack.
Interchange: Industrial 1/2" Inlet 1 plug: IRP 11 Filtration: 25 µm Outlet: 3 couplings: 2 x ISG 11 1 x ISI 06 (non lubricated outlet)	PTE LIS	746.60	1
Interchange: Automotive 1/2" Inlet 1 plug: USI 11 Filtration: 25 µm Outlet: 3 couplings: 2 x USI 11 1 x USI 06 (non lubricated outlet)	PTE LUS	1104.00	1
Equipped with a pressure gauge: 0-232 psi Inlet pressure: 174 psi Outlet pressure: 7-174 psi			

HEAVY DUTY

Wall bracket for gantry

T1

Description	Part number	\$/ea.	Pack.
Wall bracket	PT K	11.70	1
Wall bracket is suitable for 2 gantry models			

Set of 4 casters for gantry

T1

Description	Part number	\$/ea.	Pack.
4 casters	PT RL	29.23	1

COMBINATION FILTER / REGULATOR

Combination filter regulator

T1

Inlet NPT female thread	Outlet: 1 coupling	Part number	\$/ea.	Pack.
1/2" FNPT	ISI 06	MBR 203IS	965.50	1
1/2" FNPT	USI 06	MBR 203US	970.70	1
1/2" FNPT	ESI 07	MBR 203ES	966.80	1

Combination fitted sealed with:

- 1 MFM micron filter - 1 µm
- 1 MFB sub-micron filter- 0.01 µm
- 1 regulator with gauge (glass dial)
- 1 prevoS1 safety quick coupling
- 1 wall bracket

Filter-regulator unit eliminates silicon cratering, microbubbles, and other surface defects, ensuring quality spray painting.

PAINTING

Combination Submicron filters

T1

Inlet BSPP female thread	Outlet: 1 coupling	Part number	\$/ea.	Pack.
1/2" FNPT	ISI 06	MBC 203IS	1265.00	1
1/2" FNPT	USI 06	MBC 203US	1271.00	1
1/2" FNPT	ESI 07	MBC 203ES	1266.00	1

Combination fitted sealed with:

- 1 MFM micron filter - 1 µm
- 1 MFB sub-micron filter- 0.01 µm
- 1 MFC activated carbon filter

Oil separation: 0.003 mg/m3

- 1 wall bracket
- 1 prevoS1 safety quick coupling

Filter unit eliminates silicon cratering, microbubbles, and other surface defects, ensuring quality spray painting.

PAINTING

Combination Sub-micronic filters

T1

Inlet NPT female thread	Outlet: 2 couplings	Part number	\$/ea.	Pack.
1/2" FNPT	ISI 06	MBCR 203IS	1348.00	1
1/2" FNPT	USI 06	MBCR 203US	1355.00	1
1/2" FNPT	ESI 07	MBCR 203ES	1350.00	1

Combination fitted sealed with:

- 1 MFM micron filter - 1 µm
- 1 MFB sub-micron filter- 0.01 µm
- 1 MFC activated carbon filter - Efficiency: 99.999 %
- Oil separation: 0.003 mg/m3
- 1 regulator with gauge (glass)
- 1 wall bracket
- 1 prevoS1 safety quick coupling

Filter regulator unit eliminates silicon cratering, microbubbles, and other surface defects, ensuring quality spray painting.

PROGRAMMABLE ELECTRONIC DRAINS

Economy series complete automatic drain valve kit

T1

NPT female thread	Supply voltage	Part number	\$/ea.	Pack.
1/4" FNPT	110 V	TEMP 202115COLS	164.23	1

Includes:

- Programmable timer
- solenoid for evacuating condensates
- Drain trap with 1/4 turn shut-off valve
- ID passage: 4,5 mm
- Temperature: +2°C +55°C
- Drain opening: 0,5-10 sec
- Drain cycle: 0,5-45 min

Mini electronic drains

T1

Part number	\$/ea.	Pack.
TEMP MN115V	108.40	1

Supply voltage: 110 V
Operation: Manual opening test

Draint: Mini electronic drain 110 V
Frequency: Opening frequency 0 to 120 minutes
Time: Opening time 2 seconds

PROGRAMMABLE ELECTRONIC DRAINS

Electric drain valve w/ float and pilot valve

T1

	Part number	\$/ea.	Pack.
Description: Repair kit for PDE 100 automatic drain	PDE 100KR	46.44	1
Outlet Ø: 8 mm	PDE 100T	161.40	1
Removal capacity: 1.35 gal/h			
Operating pressure: 3-232 psi			
Protection rating: IP 65			
Supply voltage: 115 AC (50/60 Hz)			
Temperature: 36 - 140° F			
Meets Pressure Equipment Directive 2014/68/CE			

WATER SEPARATOR

Cyclonic Water Separator w/ Float Drain

MAGNETIC DRAIN

Magnetic drain condensate draining

T1

		Part number	\$/ea.	Pack.
	Inlet NPT female thread: 2 connections 1/2" FNPT	PMA 201T	242.80	1
	Condensates draining: 52.8 gal/hour			
	Condensate is automatically drained by a magnetic valve. The valve opens when a float inside reaches a certain level and closes when the float drops back down. Zero air loss. No electricity required.			

GENERAL TERMS OF SALE

1. APPLICATION

These general terms and conditions of sale are brought to the customer's attention with the sales proposal or, in case of a direct order, via the order confirmation.

All sales are concluded subject to the condition precedent of the application of the full version of these general terms and conditions of sale. It is inferred that the customer unconditionally accepts these terms and conditions.

These general terms and conditions of sale shall prevail over those of the customer, notwithstanding any conflicting clauses provided for in its general terms and subject to any amendments which may be made to these terms and conditions under the provisions of this clause.

Any contractual provisions contrary to these terms and conditions must be proposed to PREVOST in writing, separately from the pre-printed terms on the customer's contractual documents, and prior to PREVOST's acceptance of the order. In order to be binding on PREVOST, the proposed modification must be expressly approved, prior to order acceptance, in writing and signed by PREVOST.

In case of financial risk, PREVOST may in particular demand guarantees and/or special payment terms.

2. OFFER - ORDER CONFIRMATION

Offer sent to the customer has a period of validity of 90 days or end of calendar year, whichever comes first.

Orders sent by the customer constitute order proposals subject to acceptance by PREVOST. They must be complete and all their elements precisely defined. Orders drawn up by agents and/or representatives of PREVOST are binding only if confirmed by PREVOST. An order shall be considered accepted by PREVOST only when the customer has received an order confirmation.

Minimum order requirement: \$50.

List prices are based on standard package quantities. Orders not in standard package quantities will incur a \$5.00 "Broken box fee" per line item.

3. CANCELLATION OR MODIFICATION OF ORDERS

All orders placed with PREVOST are firm and definitive. Exceptionally, they may be cancelled or modified at the customer's writing request on condition of PREVOST's express agreement, depending on the work already undertaken. Any modification may increase the cost of the order, which shall be notified to the customer for acceptance, and/or cause delivery delays for the relevant order.

4. PRICES – EQUIPMENT SOLD

The prices, information and characteristics presented in the catalogues, specification sheets or other documents are for information purposes only and under no circumstances shall they be considered as firm offers. These documents are not legally binding. Prices are quoted exclusive of all taxes for products shipped ex-works, unpacked, un-assembled and non-operational. The customer shall bear all taxes, fees, costs, tax stamps and insurance premiums. For deliveries abroad, all taxes, duties, fees, and inspection costs shall be borne by the customer, as well as any costs incurred pursuant to foreign legislation. Furthermore, at any time and without notice, PREVOST reserves the right to carry out such modifications or improvements as it deems necessary on any product and the customer shall not be entitled to bring a claim for any damage arising therefrom.

5. PAYMENT

Standard payment terms are Net 30 days from the day of invoice unless other terms are previously agreed upon in writing by PREVOST. Unless otherwise provided in any special terms, customers shall make all payments net, cash, without discount and at PREVOST's office. A down payment upon order placement is required for all capital goods and no interest shall accrue thereon.

In case of the execution of an order, PREVOST reserves the right to require guarantees for payment and the proper performance of financial undertakings, should the customer's financial situation deteriorate, shown either by non-payment of the due amount at the agreed date or by an examination of the customer's financial and accounting documents or by any other means demonstrating this deterioration in a tangible way. In such circumstances, PREVOST reserves the right to solicit such guarantees as are required to safeguard its rights or to suspend the performance of pending orders without prejudice to any cancellation of the order at its discretion. If the customer has not paid within 60 days from the payment date the whole or the part of the contract price which have become due, PREVOST shall be authorized to put a stop to any remaining shipments and, after the giving of formal notice, to cancel the order by virtue of the customer's fault and to its detriment. Any debt collection costs that PREVOST may be required to incur and fees of representatives of the law shall be borne by the defaulting customer.

In the event that the customer sells, transfers or pledges its business or equipment or contributes its business or equipment to a company or one of the payments or the acceptance of a bill of exchange is not made on the agreed date, all amounts due will become payable whatever their due dates.

6. DELIVERY – TRANSPORT - SHIPMENT

DELIVERY

Unless otherwise clearly provided, delivery shall be deemed to have been made as soon as the products are made available at the PREVOST plants, prior to loading. Such products shall be deemed to have been removed and delivered at this time. Unless a firm deadline has been agreed upon in any special terms, delivery periods are estimates only. Delivery periods start to run from the moment PREVOST has confirmed the order and has received the down payment provided for in the order. In case of sales abroad, the various authorizations (import license, foreign exchange transfer authorization, etc.) must have been obtained by the customer beforehand. Any modification of an order in the process of being performed, if accepted by PREVOST, leads to an extension of the agreed delivery period in the way indicated by PREVOST to the customer.

If the customer does not remove the products from PREVOST's premises, or refuses to accept such products, and upon the expiry of the delivery period, the risk shall pass to the customer with effect from the day on which the products are made available on PREVOST's premises and PREVOST shall have the right to store the products at the customer's expense and to request the reimbursement of freight and handling costs. If the delay in removing the products from PREVOST's premises exceeds two (2) weeks from the date on which the products were made available, or if the customer refuses to accept delivery, PREVOST shall have the right to terminate the contract, resell the products and claim the difference between the initially agreed price and the resale price.

If preparatory works are necessary for the delivery of the products, the customer shall in good time undertake these preparatory works in accordance with PREVOST's instructions to ensure that the conditions necessary for installation of the products are fulfilled.

For this purpose, the customer shall make any necessary equipment available, materials and/or resources of any kind.

If the customer fails to correctly fulfill its necessary obligations for carrying out installation, PREVOST shall arrange for storage of the products at the customer's risk and expense and the customer shall pay any part of the contract price which, but for the default, would have become due.

TRANSPORT

The customer shall be responsible for contacting the carrier regarding missing products and/or damaged parcels upon receipt of the products. Such reservations must be written on the carrier's document and the delivery slips and reported to the carrier within a maximum of three (3) days. Under no circumstances shall PREVOST be liable for any destruction, damage, loss or theft occurring during the transport of the products.

SHIPMENT

FOB Greenville, SC with freight allowed on net orders of \$560 or more (net \$5600 if the order includes pipe) that are shipped to the distributor's warehouse. No freight allowed on drop shipments. If freight allowed, PREVOST will specify the carrier.

7. PASSING OF TITLE AND RISKS

TITLE TO THE PRODUCTS DELIVERED SHALL NOT PASS TO THE CUSTOMER UNTIL THE EFFECTIVE PAYMENT IN FULL OF THE PRINCIPAL AMOUNT, INTEREST AND ANCILLARY COSTS WITHIN THE DEFINED TIME FRAME. In case of payment by check or bill of exchange, payment shall be deemed to have been made upon bank acknowledgement of received payment. Notwithstanding the title retention clause relating to the sold products, the risks pertaining thereto (including the risks of loss or destruction) shall pass to the customer upon delivery of the products. Accordingly, the customer agrees to insure the products sold subject to title retention, at his expense and in the name of PREVOST, against all risks that they may sustain or cause until the products have been paid for in full. The customer also agrees to inform PREVOST of any material or judicial occurrence that may affect the products subject to the title retention clause. Despite PREVOST's retention of title, the customer is authorized, unless otherwise specified, to transform, incorporate or resell the products before payment in full thereof provided that such customer informs any sub purchaser of the products of the title retention clause relating to the relevant products and PREVOST's right to reclaim the products or the cost of the products from the sub purchaser (at the price owed by the customer to PREVOST) regardless of the person holding the products. Should PREVOST suffer a loss of rights as a result of third-party's access, the customer shall be obliged to indemnify PREVOST against the damage including all costs incurred by PREVOST for legal prosecution.

In case of default in payment by the due date PREVOST has the right to demand the immediate return of the products at the customer's expense, automatically entailing the cancellation of the sale. The customer shall also cover expenses related to the recovery of the cost of products and any other damage that PREVOST may show. Any down payments or deposits made by the customer shall be set off against any amounts payable by the customer.

8. WARRANTY

The PREVOST warranty only applies to products delivered by PREVOST and exists only towards the customer of PREVOST. It does not apply to any third party purchaser.

The warranty covers any manufacturing defects or defects in materials from the delivery date as specified in article 6 and where such products are used under normal operating and maintenance conditions for a period of:

- one (1) year by default.
- three (3) months for electronic components as well as for accessories and related products not made by PREVOST.
- three (3) months for spare parts unless otherwise specified in any special terms granted by PREVOST.

To invoke the provisions of the warranty, the customer must notify PREVOST in writing and within the above stipulated period of the defects allegedly found in the products and provide proof thereof. The customer must facilitate the assessment of these defects and their repair by PREVOST.

The customer must not, except in the event of PREVOST's prior express consent, carry out the repairs himself or have them done by a third party. Any unauthorized intervention may entail the immediate cancellation of the warranty.

Under the terms of the warranty PREVOST may choose whether to repair or replace, ex-works, all parts covered by the warranty and found to be defective by PREVOST. Any works required under the warranty obligations shall in principle be carried out at PREVOST's premises, after the customer has returned to PREVOST, at the customer's expense, the defective supplies or parts. Repairs or replacements made under the terms of the warranty shall not extend the warranty period. Parts replaced during the warranty period shall be returned to PREVOST and shall become owned by PREVOST. PREVOST excludes all liability for and the warranty shall not cover any defects (and any damage of any kind whatsoever arising therefrom) resulting from:

- any assembly or installation of the products that does not comply with PREVOST's instructions or specifications (documentation, operating and assembly instructions, special recommendations, etc.) or professional standards, or defects and the consequences thereof in case the start-up was carried out by the customer whereas PREVOST had stated that it was to carry out the start-up itself,
- abnormal use of the products (e.g. overloading the equipment etc.), defective maintenance, lack of supervision, negligence (e.g. continuing to use a component or a part of a piece of equipment proving to be defective that could lead to more substantial damage to the piece of equipment or surrounding equipment delivered by PREVOST), unsuitable storage conditions,
- any use other than the use for which the products were intended, or any abnormal use or use that does not comply with PREVOST's instructions,
- materials supplied or a design imposed by the customer, or from servicing or maintenance performed on the products by third parties not expressly authorized by PREVOST,
- defects and the consequences thereof resulting from normal wear and tear of the product,
- a non-PREVOST product being used with, assembled with or integrated into a PREVOST product. PREVOST shall not be held liable for any damage whatsoever resulting from such combination.

PREVOST shall not be liable for any warranty that is not listed in clause 8. Unless otherwise specifically provided in

AIMP283A US

writing, no warranties relating to results or performance of products are granted to customers apart from the warranty regarding the technical characteristics of the product as described in PREVOST commercial documentation.

9. LIMITATION OF LIABILITY

Save as otherwise agreed, there shall be no liability on PREVOST towards the customer for loss of production, loss of profit, loss of use, loss of contracts or for any other consequential or indirect loss whatsoever.

It is expressly agreed between the customer and PREVOST that any claim of compensation for any loss arising out of damage to the customer's professional goods and services and based on liability for defective products is excluded.

To the extent permitted by applicable law, the contractual liability in respect of any other damage within the order, shall not exceed the price of the product at issue. To the extent the preceding limitation of liability is deemed invalid under applicable law, PREVOST's total liability in any event shall not exceed the amount covered by its product liability insurance.

10. CLAIMS AND RETURNS

To be valid, any claim relating to a conspicuous defect must be made within eight (8) days after the products have been made available by PREVOST. Returns will be authorized only if accepted beforehand by PREVOST and may be repaired or exchanged at PREVOST's discretion. They must be shipped to PREVOST's premises in South Carolina with freight and all other costs paid, as new, and without having been subject to any modifications. Parts manufactured according to instructions or designs supplied by the customer shall not be taken back or exchanged.

11. INTELLECTUAL PROPERTY

PREVOST retains all rights to the intellectual property rights and know-how related to the products sold, whether or not such items were developed in connection with such request. PREVOST grants the customer the right to use any software which may be provided with the products sold as stated in the user license provided with such software. The customer undertakes to comply with the terms and conditions of such license, failing which such customer shall be held liable. The customer also undertakes not to infringe any of PREVOST's intellectual property rights and represents that he has full knowledge of such rights.

The customer undertakes neither to remove the trademark from products nor to reproduce or procure the reproduction of the trademarks, design rights, patents and any other industrial or intellectual property rights held by PREVOST, in whole or in part, and nor to provide third parties with any information of any kind whatsoever enabling the partial or complete reproduction of such rights, failing which legal action will be taken.

12. STUDIES, DRAWINGS AND FILES

PREVOST has and shall retain full ownership of any studies, documents or technical information provided to the customer concerning the products supplied thereto (plans, drawings, propositions etc.). These documents can neither be reproduced nor communicated to third parties, particularly competitors. They must be returned to PREVOST upon request. The provided files, studies and drawings are not binding and PREVOST reserves the right to modify the products in any manner it deems necessary during the final execution of the order. In all cases, the customer is responsible for verifying the studies, projects and calculations provided to the customer by PREVOST and for checking that they comply with the conditions of use expected by the customer.

13. EXPORT CONTROL

Certain products and related technology and documentation sold by PREVOST may be subject to national, foreign, or international trade and export control laws and regulations («Export Laws»). Diversion contrary to such Export Laws is prohibited and the customer will comply with them regarding export, re-export, re-sale or use of the products. The customer will not export or re-export, directly or indirectly, the products and related technology and documentation to any country, entity or person under sanction or embargoes. The customer will not use the products in relation to nuclear, biological or chemical weapons or missile systems capable of delivering the same or in the development of any weapon of mass destruction.

In case the export of the products to the customer is subject to license, the customer shall promptly provide PREVOST with all assistance, information and documents required to obtain the official approvals, licenses and authorizations by the national authorities for export. Especially the customer will declare, upon PREVOST's request, the intended final destination, the end-user and the nature of use of the products.

In case the delivery of the products is restricted or forbidden due to Export Laws, the rights and obligations of the customer will be suspended until attainment of the license or lifting of the export ban and the contract may be cancelled without any liability or compensation from PREVOST.

The customer shall inform PREVOST if it intends to export the products and it is the responsibility of the customer to declare to PREVOST the intended final destination, the end-user and nature of use of the products, and the customer is ultimately responsible for ensuring that all such exports comply fully with the national export laws.

The customer shall acknowledge that the above obligations will survive at the end of the contract.

14. FORCE MAJEURE

PREVOST shall not be considered liable for non-performance of any contractual obligation or for any delay in performance caused by any event of Force Majeure under the laws of South Carolina.

The contract shall be suspended until the disappearance or cessation of the event of Force Majeure. However, if it is not possible to take over the execution of the contract within thirty (30) days from the occurrence of the event of Force Majeure, the parties shall discuss together the modification of the contract. If discussions fail, the contract shall be terminated as of right, without any right of indemnification for the customer.

15. DATA PROTECTION LAW

The personal data gathered for the performance of the contract shall be processed in secure environments and according to South Carolina law. The customer shall have the right to access, modify, rectify and delete the personal information by contacting PREVOST's office.

16. JURISDICTION – APPLICABLE LAW

ANY DISPUTE ARISING FROM THIS CONTRACT, EVEN IN THE EVENT OF MULTIPLE DEFENDANTS OR THE INTRODUCTION OF THIRD PARTIES, SHALL BE SUBJECT TO THE EXCLUSIVE JURISDICTION OF THE PLACE OF PREVOST'S REGISTERED OFFICE, LOCATED IN THE STATE OF SOUTH CAROLINA. Payment by bills of exchange shall neither substitute nor depart from this jurisdiction clause. In the event of a dispute, South Carolina law shall be exclusively applicable. These general terms and conditions shall be legally binding.
