Vision Statement:

Chinook Country Historical
Society envisions a united
community that values and is
engaged with our shared history.
We strive to be the central hub of
historical programming,
collaborating to preserve and
bring oral, written, and physical
history to life for current and
future generations.

"Revisionist Westerns and the Importance of First Nations to Alberta's Film History: A Stoney Nakoda Perspective"; a co-presentation by film historian/author Mary Graham and Nakoda Elder(s) from the Stoney Film Project.

The Stoney Nakoda have played a major role in Alberta film-making since at least 1917, when the first Best Director Oscar winner (1929) Frank Borzage shot part of his Northwest 'meller (an Alberta specific sub-genre of the Western) on their reserve at Morley as a very young filmmaker. Since then, more than 50 films - many of them major and by some of the most prominent directors of the last century - have featured Nakoda casts, wranglers, mountain guides, location scouts, and filming locations on their reserves. For the past five years, Graham and ten Elders from all three bands have worked together to recapture this film history.

Please note the Club is participating in the Restrictions Exemption Program. Attendees must provide proof of full vaccination or a negative COVID rapid or lab based PCR test (privately paid for not AHS or Precision Lab) within 72 hours of the event and Government issued ID. At this point, masks will be required to be worn at the buffet and while moving around the banquet room.

President's Report
Jackie Kleiner
Winter 2021

Greetings!

Chinook Country Historical Society has launched our 21/22 Monthly Program offerings. In September we were pleased to welcome Dr. Troy Patenaude from Fort Calgary and in October Peter Peller from the University of Calgary. We were hoping to do presentations in person, through the generous support of our partner at the Calgary Public Library, but have returned to offer virtual presentations for now. You are now able to view some of the virtual presentations from Historic Calgary Week through a link on our website or look for the Chinook Country Historical Society on YouTube.

We hope you will tune into our presentation on November 9, as we reflect on Remembrance Day and the service and contributions of the military and first responders. We are hosting a Christmas Luncheon on December 11 and hope you will join us for this popular event (see the registration information in this newsletter).

The Board is undertaking several projects with regard to Board functioning, membership and communication. We thank all of you for your continued support by renewing your membership in the Historical Society of Alberta. If you have any questions about your membership due date or fees, please contact the CCHS office at 403-261-4667. We also want to express our appreciation to those of you who donated to our Society as these funds have allowed us to continue to deliver high value programs and will support the development of the mobile app.

Stay safe and warm!

As per your request you are receiving this newsletter in printed form. Chinook Country Historical Society also produces a monthly E newsletter. Should you like to receive your communication to this manner and no longer receive the printed copy, please call the office at 403-261-4667 or email info@chinookhistory.ca

Upcoming Programs
In Cooperation with the Calgary Public Library

January 18, 2021
 7:00 - 8:30 pm

Doing Legal History: Canada's Legal Past

Online Presentation- Check website for more information

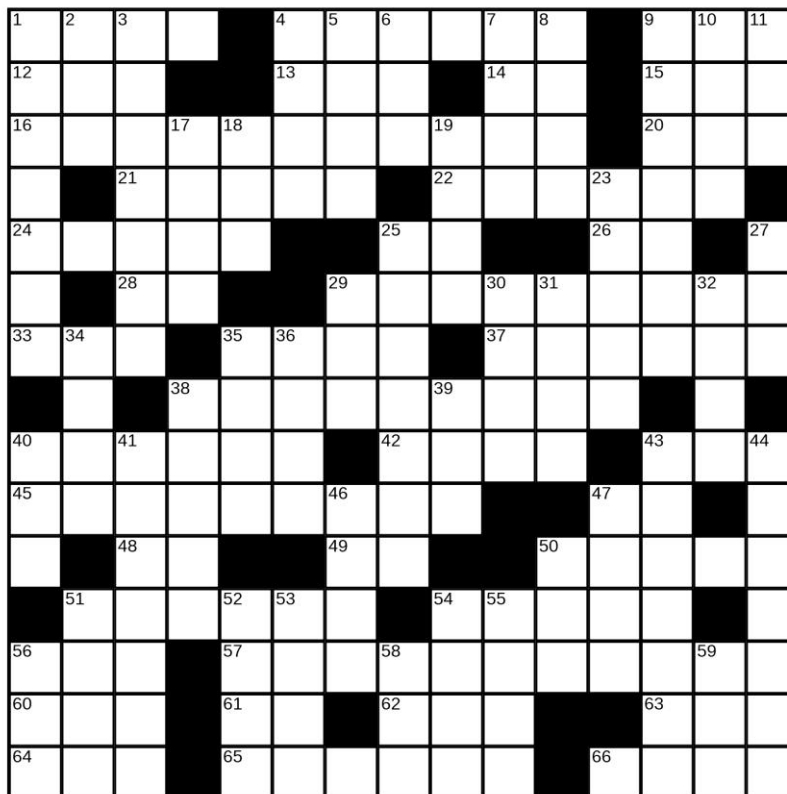

Share the trials and triumphs of doing historical research using archives and a plethora of other sources as our legal past is explored. From unfortunate disciplinary experiences of young Mounties to the unhappy fate of an American fishing schooner that (probably) drifted into Canadian waters, learn how legal history is actually done.

Volunteer Required

We require a volunteer to be the custodian and scheduler for the loudspeakers we use during Historic Calgary Week. You would be responsible for storing the equipment, arranging for any necessary repairs and ensuring they are in operating order. During Historic Calgary Week you would track the events where a loudspeaker is required, develop a schedule and arrange for speaker delivery to the events; in addition you could carry the speaker at some events.

If you are interested in this opportunity or require more information, please contact us at info@chinookhistory.ca
