### "Please Do Not Subject Our Children to Annihilation" -Calgarians Against Nuclear Arms

Dr. Nicole Marion-Patola, Senior Associate, Know History

From 1959 to 1963 there was a small but enthusiastic disarmament movement in Canada. Opposition to the notion of nuclear weapons on Canadian soil was politically challenging in Calgary. Nevertheless, many Cold War Calgarians spoke out and marched against nuclear arms.

## President's Report Walt DeBoni

Congratulations to Debbie Goodine on her retirement as Coordinator at the Historical Society of Alberta. Her promotion of the Society, and working with all the Chapters was much appreciated and will be missed. Enjoy your retirement, Debbie, and the many volunteering opportunities that are out there!

As we move into the new year, this is a good time to reflect on the state of our finances. As you are likely aware, the Alberta Historic Resources Foundation has been dissolved and funding for organizations such as ours is now the direct responsibility of the Ministry of Culture and Multiculturalism. The budget allocation we received in the fall decreased by 7%. We expect a further decrease of approximately 12% when the Winter/Spring budget is announced. So CCHS will receive a reduced grant from the HSA. At this point our finances are in good shape, but the real impact of these reductions has not been incorporated into the future activities of CCHS. We will be reflecting on this over the next few months and we are hopeful we will still be in a position to continue to deliver quality programming and services to our community. Please keep us in mind when considering your charitable giving and stay tuned for updates on this issue.

The Historic Calgary Week committee held its Partners' Meeting on January 23 with more than 50 people with an interest in history in attendance. This marks the beginning of our planning for this festival that will be held from July 24 through August 3, 2020. A good discussion was held about possible events under our theme this year: "Vision 2020: Perspectives from the Past Informing the Future." If you have any thoughts on possible events for HCW 2020 please email your ideas to [hcw@chinookhistory.ca](mailto:hcw@chinookhistory.ca).

Late last year, CCHS was awarded a \$35,000 grant by the Calgary Foundation for our Mobile History App. This two-year project will develop a series of short videos of historic sites in Calgary and region that will incorporate historic photos and other material alongside interviews with individuals connected with the sites. The app will be accessible on mobile devices such as cell phones and could be used by tourists and Calgarians on a self-guided walking tour or from anywhere in the world by anyone interested in our City.

Plan on attending your AGM on March 24, 2020 at the FCJ Centre, 219 - 19 Avenue SW, 5 pm followed by a dinner and talk. Tickets required for the dinner.
