**President's Report
Walt DeBoni
May 2020**

It seems like several years have passed since I wrote the Spring 2020 President's Report in February! So much has changed so fast and without a clear path forward. However, we will continue to plan for future events for Chinook Country and "roll with the punches" as the situation unfolds. Rest assured that we will only hold events when it is clearly safe to do so for you, our members.

All of our programs, including Historic Calgary Week, have been cancelled through to at least the end of August 2020. Our HCW 2020 committee had already organized another interesting program with over 80 events and was ready to go to press when the decision to cancel was made. We will hold over these events and hopefully most of our presenters will be able to be part of HCW 2021.

Not everything has come to a standstill – work on our Mobile History App is continuing albeit with a modified operating plan. The virtual shutdown of activities makes videotaping impossible, but work continues on the research for all 10 of our episodes and hopefully videotaping can resume in the fall. Our efforts on this project have been enhanced with the addition of eight volunteers from the University of Calgary History Department.

We are continuing to send out our monthly enewsletter to all members that have provided us with an email address. If you have not been receiving it, please email us at info@chinookhistory.ca and we will ensure that you are added to our distribution list. In addition to the interesting articles that Bronwyn Evans, our enewsletter editor, is sourcing, the enewsletter is the best way to keep up to date on the rapidly changing situation as it affects CCHS and some of our partner organizations.

Since it is uncertain when we can get together as a group to hold our Annual General Meeting, we have decided to hold a virtual meeting this year. We are planning on hosting the meeting on Zoom at 7 pm on June 16 and all of you are invited to participate. We require a total of at least 10 members to hold such a meeting. Details and notice of the meeting are elsewhere in this newsletter. As usual, we will be electing a new Board and executive for CCHS. If you have any questions on this, please email us at info@chinookhistory.ca.

It is important that you renew your membership in order that we can continue to bring programming to you. If you are unsure of the expiry date of your membership, please email us at info@chinookcountry.ca for that information. Please send your renewal to the Historical Society of Alberta office at the following address:

Historic Calgary Week 2020 Cancelled

Regrettably, we have cancelled Historic Calgary Week 2020 as per the directives of Alberta Health Services.

At this time, we do not see that it would be possible to hold HCW 2020 in the fall due to the number of events in our program. Hopefully, we will be able to hold most of these events next year as part of HCW 2021. We hope to see you at CCHS events during the fall and winter program as well as at HCW 2021.
