# PREROLL MANUFACTURING

## Our Services

Tired of loading and unloading your Knockbox? Don't have enough time or staff to dedicate to making prerolls or blunts? Our plugin-solution makes it easy to 'puff puff pass' your preroll production off to our team of experienced rollers. We are a custom hemp preroll manufacturer and co-packer, making prerolls to order for brands and shops across the US.

Need to customize the flower, oil, terps, cones or size? Or are you looking for packaging and labeling? Our team can create a custom preroll product, tubed and labeled, and ship it directly to your wholesale customers. Want to create a new preroll lineup? Now is a good time, prerolls are a strong product category, closely following flower as the number 2 category sold in most states & Canada.

- Custom Preroll Manufacturing
- Rolling Service Only Available
- Packaging & Labeling
- Design Services

## Our Process

At Reefer Rolls, we have been perfecting our preroll process since 2019. Our fully automated machine ensures a consistent weight, density and size. And when it comes to ingredients, we use only the highest-grade materials from cone to flower. However, if you'd like to provide any materials, piece together your preroll and send us what you have.

- Customize your preroll product
- Design any labels or packaging if needed
- Quote based on pricing tables below
- Lead time ranges from 3-5 days to 2 weeks depending on order size and customizations
- Dropship to your clients

## CUSTOMIZATIONS

### Flower

No sticks & stems here. We source hemp flower directly from local farms to ensure a smooth smoke. Whether you'd like to use outdoor, greenhouse or premium indoor flower, we can source a range of strains for you.

Outdoor

Greenhouse

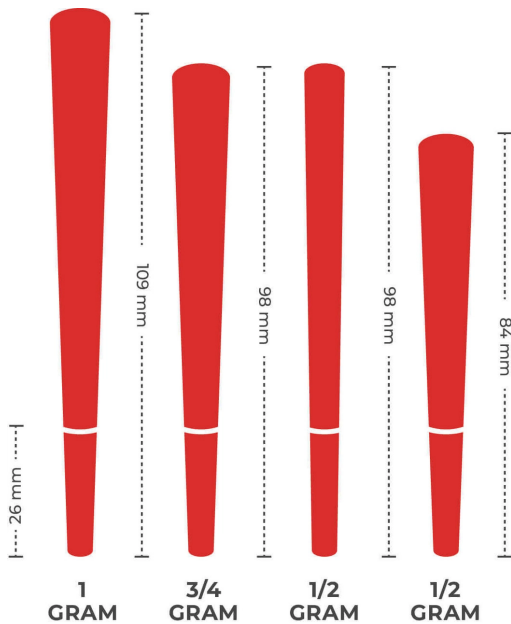

Indoor

### Cones

Choose just about any cone youd like, Raw, Elements, OCB, Blazy Susans. Dogwalkers or King? We can work with any size, .5g, .75g, 1g, 1.3g and 1.5g

### Oil

Infusion is an important part of our process. Various hemp-derived oils are becoming more popular, with infused products dominating the CBD market. We have access to lab-direct oils to infuse your prerolls however you'd like.

D8 - HHC - THCA - D10

### Terpenes

Choose from a large selection of terpenes, plant derived or live resin terpenes. If we don't have a terpene you're interested in, we can likely source it. Or we're happy to let our clients supply their own.

Plant or Live Resin Terpenes

# COPACKING & PACKAGING

## Copacking & Labeling

Maybe bulk prerolls are your thing, but if you'd like to have your order packaged we can take care of that for you. You're also welcome to provide your own packaging for us to pack in.

On top of packaging, we offer labeling services. We can have your prerolls shelf-ready, tubed and labeled. Need design work? Our in-house graphics team will work with you to create any labeling.

## Packaging Options

We have a variety of packaging options, from tubes to multi-packs. We work with several packaging companies including Chubby Gorilla, Custom Cones, Calyx, and others. If you prefer custom-branded packaging we can work with packaging companies for custom prints.
