Dear Mr. Daouk,

Please find enclosed a report for the 2021-22 academic year for **The Brummana High School Cultural Society Endowed Scholarship** at the American University of Beirut that provided funding totaling **\$13,521** to **3 students**.

Although we continue to face enormous challenges in Lebanon due to the economic and financial collapse of the country, we ended the academic year on a very positive note – with in-person Commencement ceremonies on the Green Field on June 9-11, 2022. Commencement 2022 was memorable for all of us – especially for our graduating students and their families who have had to navigate so many obstacles in recent years. We are so grateful to people like you who make it possible for AUB to offer financial support to the increasing number of students who need assistance. You are truly making a difference – not just for these students but also for their family and community, and our university.

Thank you for your support for our students and for AUB.

Sincerely,

Imad B. Baalbaki, PhD
Senior Vice President for Advancement and Business Development
