Dear Mr. Daouk,

It is with great pleasure that I write to express the immense gratitude of the American University of Beirut (AUB) for **The Brummana High School Cultural Society Endowed Scholarship**, which provided significant support at our university during the 2023-24 academic year as detailed in the enclosed.

One of the highlights of this past year was the [President's Annual Scholarship Reception](#) that President Fadlo R. Khuri and Dr. Lamyia Tannous Khuri hosted on April 23, 2024. The event brought together donors and recipients of donor-funded scholarships in a memorable celebration of philanthropy. In his remarks, President Khuri noted that "a total of 88.5 percent of our students receive some financial aid, with 65 percent of students receiving an average aid amount covering over half of their tuition costs. And a full 1,700 students are attending AUB this year free of charge." This support for our students would not have been possible without your generosity and the generosity of thousands of benefactors like you.

AUB takes immense pride and honor in partnering with you in the noble pursuit of philanthropy for the benefit of our students and their futures. It is through your support that AUB continues to be a place where qualified students can receive the education they deserve, regardless of financial constraints. I cannot thank you enough for your support for scholarships. Your benevolence is changing people's lives for the better.

Please find enclosed a report for the **2023-24** academic year for **The Brummana High School Cultural Society Endowed Scholarship**.

With sincere gratitude,

Imad B. Baalbaki, PhD
Senior Vice President for Advancement and Business Development
