

To: **BHSCS; Brummana High School Cultural Society**
Beirut, Lebanon

Dear Sir,

My name is Andrea Maria Saad, I graduated from Brummana High School back in 2017 from Secondary 3 SE.

My educational journey continued at NDU; Notre Dame University, Zouk Mosbeh where I completed a BA in Graphic Design, graduating this Fall 2020 Semester with a GPA of 3.60, High Distinction (Magna Cum Laude). Upon graduating I was lucky enough to secure a job as a Junior Graphic Designer at Aleph Printing and Graphics.

Luckily enough, I was able to receive a financial aid from the BHSCS which helped me enter the university and stayed by my side until I successfully completed my credits.

My family and I are very thankful for this aid which facilitated the process especially during the current situations.

I truly hope this chance that was given to me will be given to countless others so they could follow their dreams as well.

Sincerley,
Andrea Maria Saad
Graphic Designer
