## Transform peak performance to pure relaxation.

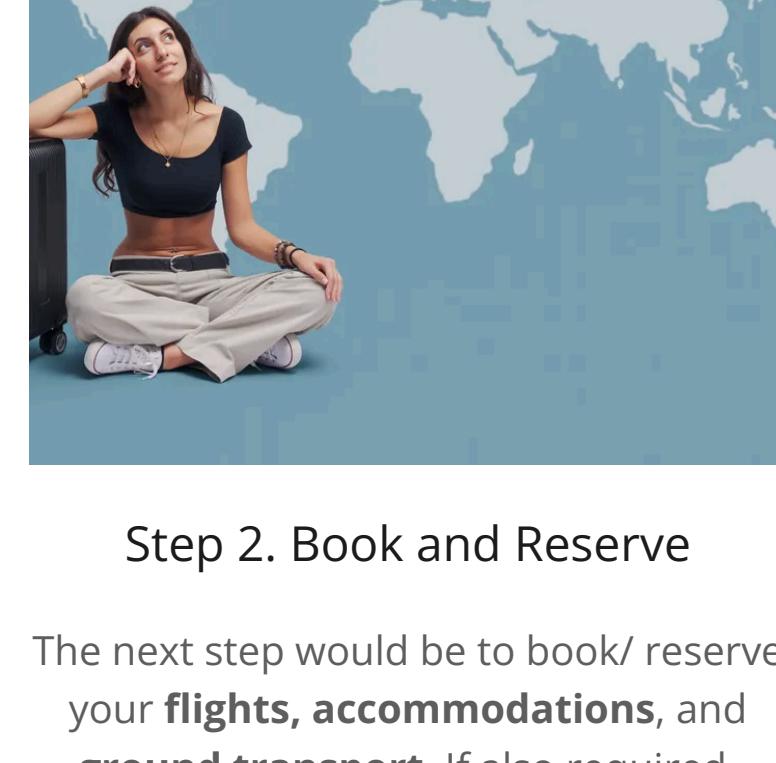

*The role of a travel advisor has evolved from a booking agent into a personal travel curator and advocate.*

### 3 Steps to Start Your Journey

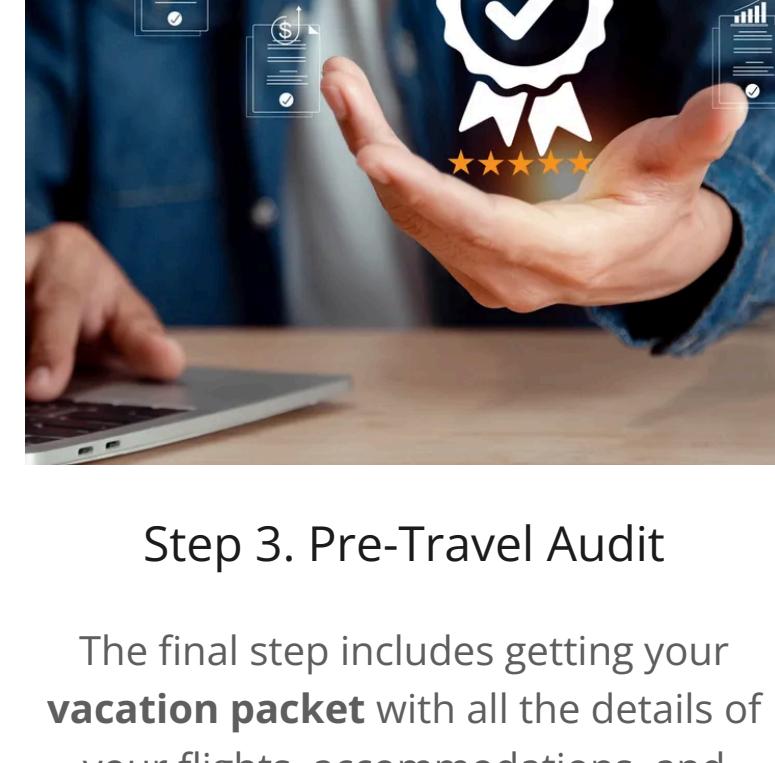

#### Step 1. Research and Optimize

Depending on the complexity of the travel plan, we require **3 to 5 days** to **research** and **optimize** the trip details.

#### Step 2. Book and Reserve

The next step would be to book/ reserve your **flights**, **accommodations**, and **ground transport**. If also required, book your **excursion/tours/tickets (on-demand)**.

#### Step 3. Pre-Travel Audit

The final step includes getting your **vacation packet** with all the details of your flights, accommodations, and tickets to planned activities.

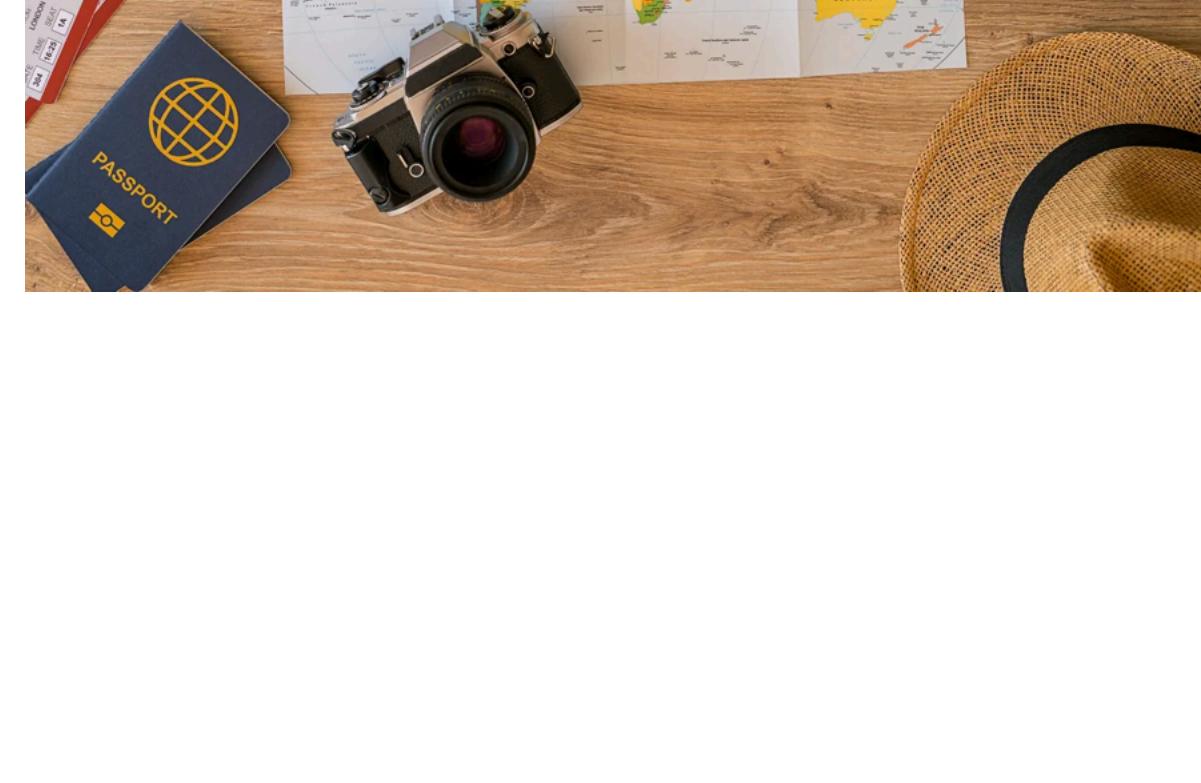

### Get ready to switch into vacation mode!

#### Let's map out your vacation.

1. Schedule a time to **brainstorm** by email, phone, or send a note below.
2. Share your vacation/destination **wishlist**, or ask for **insights**.
3. Expect a response within **24 hours**.
