APPLICATION FOR CLUB MEMBERSHIP **2022 - 2023 SEASON**

As we anticipate another snow season, we encourage our members to get out their snowmobiles and prepare for some fun in the snow. We also welcome anyone interested in joining us for this exciting winter sport.

Club membership dues are \$20.00 per year for Adults (18 years or older). Any child under the age of 18 is automatically a member as long as one parent is a paying member.

All snowmobiles in Pennsylvania must be registered and insured. You cannot ride your snowmobile on any Pennsylvania State property unless it is registered and insured.

Our Club's purpose is to promote friendship and good snowmobiling among all riders. Members are encouraged to attend monthly meetings normally held on the first Saturday of every month (September — April) Time and location to be posted monthly on the clubs website. Children are welcome to attend.

Remember that many of our trails are on private property and volunteer help is always needed to keep them in proper order so that all trail rides may be better enjoyed.
