Did You Know? Fun Fact About Springer Spaniels!

Springer Spaniels are known for their **boundless energy** and **joyful** personalities! Originally bred as hunting dogs, these pups are brilliant companions for active families and outdoor adventures.

Characteristics:

Springers have medium-length, feathered coats that come in combinations of **liver, black, and white.** With their expressive eyes, floppy ears, and constantly wagging tails, they have an unmistakably cheerful look. **Athletic and agile,** they're built for stamina and love to stay busy.

Temperament:

Friendly, affectionate, and eager to please, Springer Spaniels are incredibly **people-oriented** and thrive on **companionship.** They're playful, intelligent, and quick to learn, making them fantastic for training. They love games, cuddles, and being involved in family life.

A Bit of History:

Springer Spaniels were once part of the same group as Cocker Spaniels—distinguished by size and hunting style. Over time, they became **cherished sporting dogs** and loyal family pets. Today, they're celebrated for their loving nature, enthusiasm, and tireless spirit!

TOP TIPS FOR A FUN AND SAFE SUMMER GETAWAY WITH YOUR DOG!

There's nothing like a **summer holiday**—whether it's camping under the stars or heading off on a holiday adventure with your pup! Here are some top tips to keep your furry friend **safe, happy, and comfortable** while you make memories together:

🌿 Travel Essentials: Always pack the basics—fresh water, a bowl, lead, collar with tag, poo bags, and a comfy bed or blanket. Don't forget their favourite toy to help them feel at home!

🚗 Safe Car Journeys: Use a travel harness, crate, or dog seatbelt to keep them secure. Plan in plenty of breaks on long trips for water, toilet stops, and a little leg stretch!

🔥 Camping Considerations: Keep dogs on a lead near open flames or BBQs, and never leave them unsupervised around fire pits or hot equipment. Watch for dropped food and skewers too!

🌲 Wildlife & Wanders: Keep your dog close when walking through unfamiliar areas—especially around wildlife or livestock. **Tick checks** are a must after outdoor adventures!

🏠 Pet-Friendly Stays: Always double-check that your accommodation is dog-friendly and be mindful of rules or restrictions. Bring comforts from home to help your dog settle in easily.

With a bit of **planning** and some **tail-wagging essentials**, camping and holidaying with your dog can be a **safe and joyful part of your summer fun!** 🐾🌲🚐
